The first year at Woodbridge was a muddy one. There were few sidewalks, and when it rained students had to take a scenic route through the mud. About three-fourths of the rooms were filled and there was only one bathroom for each sex. To top it off there wasn't a decent lunch line (there is now??) so teachers and students alike ran to the catering truck. It was also great being able to look down the halls and see all familiar faces.

This year, there is STANDING ROOM ONLY. With a full four year school, there are many new additions. A few of them are new teachers, portables, bathrooms and even a new lunch line.

Now at lunch you run for a table or sit on the ground! There are lots of new faces that are unfamiliar, in both the faculty and student body.

Although we are crowded, we are happy to be meeting new faces and using our facilities to the limit!

---

1. Overcrowded conditions force students to hike to portables.
2. Marlene Crounse and Michele Hooper are lucky to find a place to stand at snack.
3. This group of Seniors meet all problems with smiles.
4. Taking advantages of a break between classes, boys are known to gossip as much as girls.
5. Spirited Warriors turn game-time crowding to their advantage.

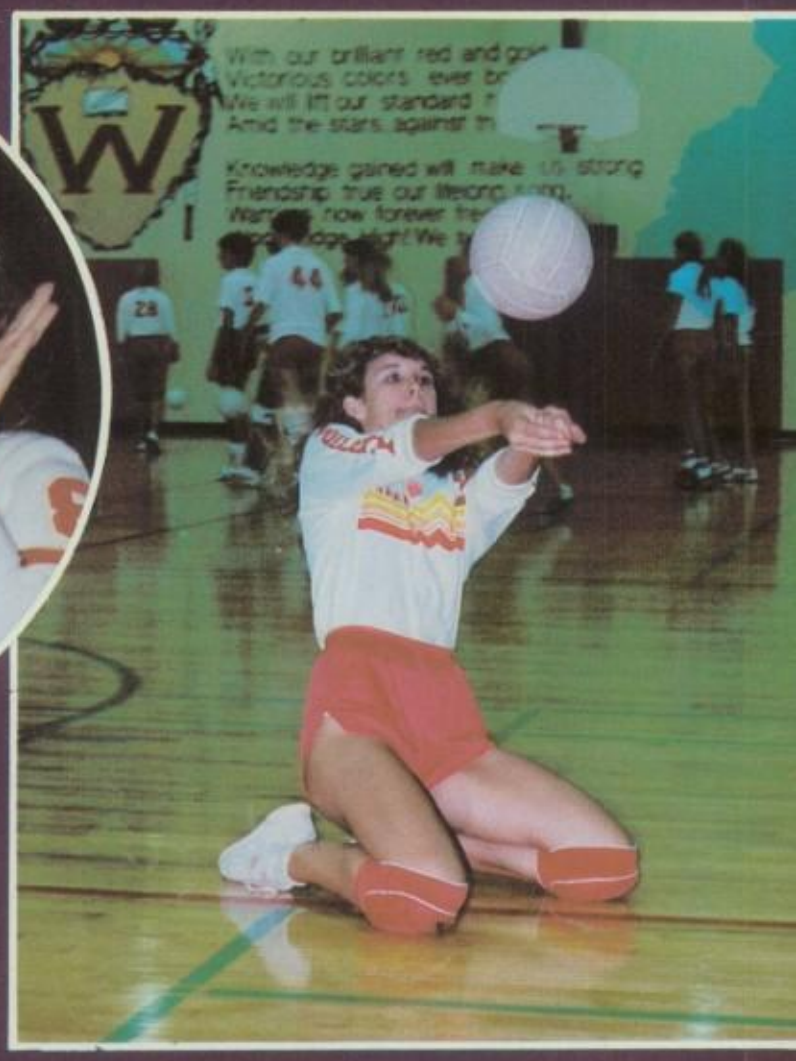
A Round of Applause

1



Working, and fighting hard, this would best describe the athletes and spirit promoters at Woodbridge. They've worked so hard that they deserve "A Round of Applause."

You have to fight hard to win, like our varsity football team has done this year. They proved that they were number one by defeating one of our biggest rivals, University High. They lost some important games too, but working hard and being dedicated to something is just as important as winning.

The cheerleaders also deserve a hand. They promote spirit, always smiling even when they are angry or depressed. This is dedication.

Our hands come together for the many other sports and organizations that work hard and achieve.

All of these teams, groups and individuals truly deserve, "A Round of Applause."

The faithful alarm rings at 6:30 and by 7:45 you're out the door. As you run to your bike or car, you realize you've forgotten your books. By 7:50 you're all set and you have five minutes to get to school. As you drive up there is no one in sight. You're late!!

First period is always fun. You run to class thinking how many tardies you have. On goes the day!

Periods two and three go by quickly and by fourth you hear stomachs growling for lunch. You decide on going to good, 'ole Del Taco and as the bell rings you see people take off. When you get there and finally order, your food arrives 5 minutes before lunch is over. You shove a taco, french fries and a coke down in 2 minutes flat.

Running to fifth period your stomach feels like lead and you smell like a taco.

For the rest of the day you can't wait to get home and relax!!

You have to admit, "There's no business like school business!"

Stadium lights, illuminating the sky for miles around . . . the stands filled with high school students wearing the victorious red and yellow . . . the field filled with nervous players from both teams, hoping to win . . . This is a glimpse of the night life at Woodbridge High.

Night life offers some of the most spirited activities of high school, where people show their dedication and support by getting involved.

For the football players, cheerleaders, flag, band and drill team, it is their spotlight, a time when the lights are centered on them and they can do their stuff.

One special night is dedicated to our Varsity Queen, and her court. These girls are respected and chosen for beauty, talent and other qualities.

For people in the stands, game nights give families and friends, girlfriends and boyfriends a chance to experience the "Glitter and Glamour" of the night life at Woodbridge.

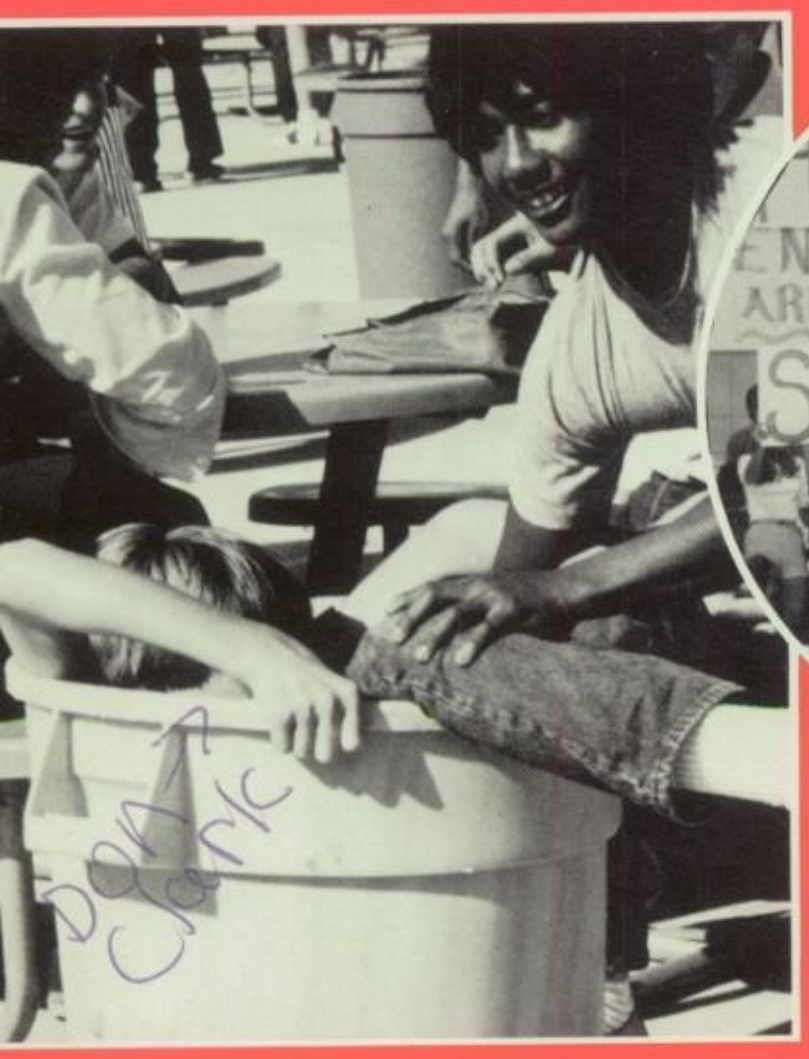
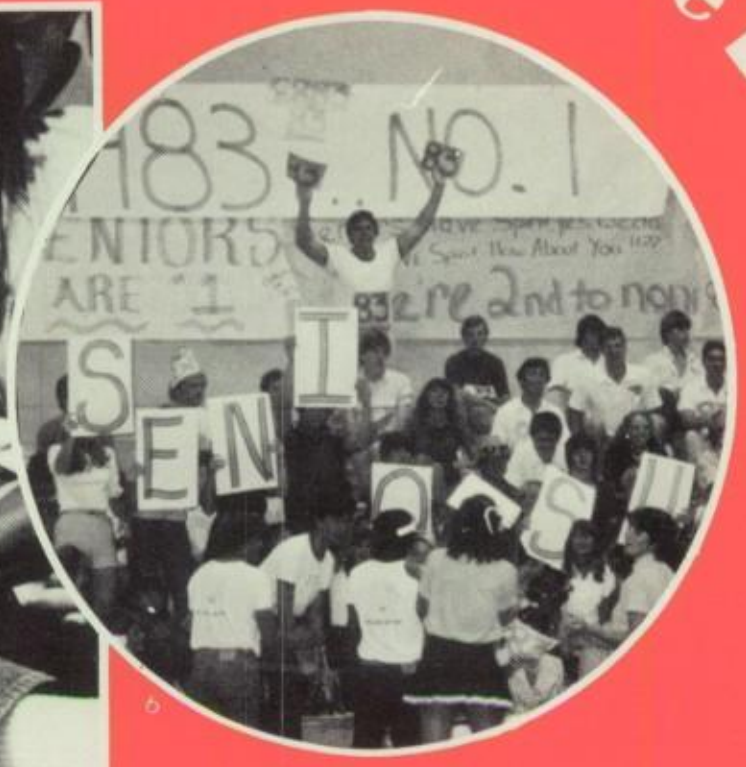
The Stars Are Born





At last, what we've been waiting for! Yes, the first graduating class of Woodbridge High! Here they are folks, the world's greatest senior class!

Seniors are in the spotlight, the smallest, but mightiest class on campus. They are the tradition originators, standard setters, and spirit movers. They've established a unique pattern for underclassmen to follow. At first they were the "guinea pigs" at WHS, but they've grown to be the "lions in the jungle" — the kings and queens.

When not having fun and acting crazy, they can be ordinary people, doing such things as filling out college applications, taking the SAT's, and working extra hard to meet graduation requirements.

True Seniors often tease underclassmen, but it's only in fun, and anyway, it's their job! Underclassmen have learned to respect Seniors, and try to follow in their footsteps.

The stars — Seniors at WHS — have finally made their appearance, and every moment of waiting for them was worth it.

Congratulations to the first graduating class at WHS. You're the greatest!

1 Seniors gather on Senior lawn for the grand opening on a Varsity day.
2 Seniors don't take no umphhh jive, yells Kevin Armstrong on a Pep Rally.
3 Brad Schulman and Farid Tabaz leave during lunch to get a bite to eat.
4 Tante Manapsal cans a Freddie.
5 Only 10 more seconds 'till the bell rings, says Terry Hanson.

A Brief Intermission

2

The pressure is on! There's a test next period, and as you try to study, you're distracted by the people next to you. They're laughing and "kicking back." It looks like so much fun that you wish it were you.

You drift off for a brief moment and you realize how important your friends, and a "little break" from school really are. They break up the pattern of eat, sleep, school, and homework. Even such events as dress up and crazy days — though only a few — break up the monotony of "pure school", and let everyone go a little crazy. Sometimes school can be a place to relax, get a little shut-eye, and catch up with your friends, after a hard night of studying. Friends are so important. They ease the pain of a bad grade, a lovers' quarrel, and make you laugh even when you don't want to. All of these things together make school worth waking up for and going to.

1. "I dressed myself!" says Bill Whiteside proudly.
2. Seniors, Mike Ward, Lisa Kennedy, Jim Park, and Rene Padgett show their spirit on color day.
3. Scott Nolan receives a gift from a friend who is "out of this world."

Although extra curricular activities aren't always the center of attention, they're deeply appreciated. Sometimes students forget, or don't realize how much time and practice are put into one routine to make it a "Class Act," and bring it to perfection. The practice time is not always school time either — it's at home, or whenever there's a free moment.

Imagine a game or pep rally without the Band, Flag, or Drill Team. The event would be very dull, and you'd probably see a lot of flying pop corn. These organizations entertain us and represent Woodbridge High at various competitions around our area.

We are proud to see these organizations working hard and wearing the red, yellow and white of Woodbridge!

Springs Into Spirit and

Four Seasons

Many students were surprised when they arrived at school on November 4 to find bits of "Fall" everywhere. The seniors left their mark. There were signs all over the quad declaring the grand opening of the Senior lawn. Hay and pumpkins were arranged, and leaves scattered throughout the school thoroughly demonstrating the Seniors spirit.

Surprises like this make Varsity Days the "spirit day" of the year. Students and faculty alike felt the electricity in the air and took part in the planning, decorating and "dressing-up." This years' theme was "Four Seasons." Seniors were Fall and dressed up as football players, Halloween characters and Pilgrims. Juniors were winter and paraded around in ski, elf, and Valentine attire. Sophomores roamed the campus as Easter bunnies, baseball players and Spring chicks, creating a colorful spring picture. The Freshmen strolled lazily around school as tourists and golfers portraying Summer.

Varsity Days this year aroused much spirit which will be carried on as tradition for years to come.

SUMMER SUMMER

A TRIBUTE TO TOM NELSON

Tom Nelson has been a very important asset to Woodbridge High. Three years ago, when WHS first opened, Tom came here to help set up and to help start the first WHS football team. For the past three years he has been athletic director at WHS, coached football, and taught biology. There's hardly ever a day that you won't see Tom smiling, he takes pride in all of his work.

Tom graduated from college in Moscow, Idaho in 1969. From there he went to Twin Falls, Idaho, to teach, and then back to college in 1970 to get his graduate degree. In 1976, he landed at Irvine High School as an assistant coach. He taught science, coached football and coached girls' softball. From there he came to Woodbridge.

Outside of school, Tom heads the Voyagers Church. He is married to wife Maryann and has two kids, Scottie 6, and Angie 3. He met his wife in January of 1972 on a blind date. "We've lived happily ever after," brags Maryann.

Tom Nelson has been a real inspiration at WHS. Thanks for all the help you've given us. You're one special person.

---

1. Mr. Nelson is always around when you need him.
2. "And here's Tom!" (alias Ricky Nelson).
3. Coaching is an important part of Mr. Nelson's involvement with WHS.
4. Mr. Nelson enjoys an outing with his wife Maryann.
5. Out to kill'em in college.
6. A grateful Warrior shares the thrill of victory with Mr. Nelson.
7. At age two, Mr. Nelson was already a lady-killer!

On Being a Senior . . .

1

2

3

4

5

For the first time since it's beginning, Woodbridge High has a Senior class, and that in itself is very special. But being a Senior has always been special. Reaching the top of the mountain after a wearisome three-year climb brings with it an exhilating sense of power and freedom, leadership and responsibility. But what exactly does being a senior mean? "Being a Senior is the only excuse for acting like a freshmen" says **Stacey Erickson** referring to the craziness that comes in your Senior year. As many Seniors put it, "Being a Senior is not worrying about what people think!" For many, Senior Year is a time for looking ahead and wondering about the future that lies just beyond graduation. "Being a Senior is looking forward to new challenges and planning for a new life . . ." says **Terri Rowell.** All the craziness, the fun, the challenges, the excitement and the occasional anxiety is what being a Senior is all about. It's only here once, but the memories last a life time.

6

7

1. "Being a Senior is a whole lot of fun" says Lori Thomas to her twin Jannine Adams.
2. Greg Flynn calmly just watching a pep rally.
3. Senior year is obviously exhausting to Charlie Le Blanc, here caught snoozing at a pep rally.
4. Jim Park ponders the meaning of life.
5. Pride and spirit a big part of Senior life.
6. Shaun Doble and Don Nickol dressed to kill for the Senior class photo.
7. "Open wide Kendall."
8. "Who is that behind those Foster Grants, Tim McKee?
9. "You're not ticklish are you Holly" says Terri Weaver.

Many memories. Where's the meeting? When? Gosh, we've had one everyday this week! Who's taking minutes? Not I. Who wants to talk at the class meeting? Eric or Dave **only?** Did anybody get anything for the auction? It's next week and we have 8 things. Oh no! Who's going to be the auctioneer? Aw, 'cmon Mrs. Michel . . . You'll be great! Thanks. We have to make $$ for our senior year. What can we do? Harvest festival — "We're getting ripped off!" ('81) Next year we sell food. Flying saucers. ('82) Windy? A bit! Formal at the lake again? "We **have** to save money!" Senior year . . . finally. We made $3000.00! Now we get to "enjoy" . . . Baloons? Party hats, horns, etc.? Sure! Spirit Day '82 was a blast — **We** led WHS to spirit. Split decisions . . . spot color . . . black backround . . . D.J./Band for formal . . . no . . . yes . . . VOTE!! Senior breakfast — Such fun! Much thanks to Mrs. Michel and Mrs.Chrystal. On Being First

There is something special about firsts! No one ever forgets their baby's first words, their first day at school and their first love. For us, the graduating class of W.H.S., a new first is added to our lives. Being the first graduating class has meant opportunities for everyone — the opportunity to help in creating our school and establishing the traditions. We have been forced to be leaders since we were sophomores and create unity among our class. We were not rebels who broke the molds but artists and sculptures who created the mold for succeeding classes to follow. In this way, we will always remain a part of W.H.S., and it will always be part of us. It has taught us and we have given ourselves! We leave W.H.S. with a feeling and a knowledge no person can take away from us. We leave the halls of W.H.S. behind us: the small but mighty class, the First Graduating class of W.H.S.

A Second Chance

How many times have you caught yourself saying "I shouldn't have done that" or "I wish I could go back and do it over." Most people, at one time, have wanted to change something from their past. As graduation comes closer and closer the seniors begin to realize that High School is over for them. They find themselves wondering "Did I accomplish anything?" "Did I do anything I regret?", or "Did my high school years turn out the way I planned?". The Senior class was asked, "If you could relive your high school years, what would you do differently?"

Most Seniors were concerned with changing their attitudes towards school and their grades. "I would take school more seriously so I could have something to show for four years," said **Dave Brookhyser.** On the other hand, **Caroline Carlson** and **Julie Hanson** felt they were too serious, and would have had more fun. "I would be more daring and not so afraid to break the rules," said **Caroline. Julie** said, "I would be as outrageous as possible!"

It is a nice dream to go back in time to change the past and make it better. Yet, we must remember the old saying, "Do it right the first time, you may never get another chance." It seems as though **Sienna Contreras** did "do it right the first time." **Sienna** said, "I wouldn't change anything I had a great four years!"

Breakfast New Tradition

The Class of '83 had the first ever Senior Breakfast which set a new tradition for W.H.S. It was held on Tuesday January 18, from 7:30-9:30 at the Newporter Inn.

The seniors had to board the buses at school at 7:00 sharp. Fifteen minutes later, Senior Class President, **Kevin Tonai**, welcomed the class to the Newporter with a short speech, and the breakfast began.

During the breakfast some of the seniors were caught "playing" with rather than eating their eggs, discovering they were not as "fluffy" as expected. The moment the seniors were waiting for finally arrived — the announcement of "Senior Favorites." The favorites, chosen by the class of '83 were announced by class advisers **Mrs. Michel** and **Mrs. Chrystal.** Some were surprises, but most of the awards were anticipated.

Following the "favorites" announcement, Senior Class Vice President, **Lori Foresz** gave the class a "pep" speech explaining what was in store for the seniors for the rest of the year. This was followed by **Mrs. Michel's** imitation of "Melting Butter" which she performed with expertice and style. Finally, as the breakfast came to an end, **Bryan Bayer** and **Jim Park** showed the class what "Skanksters" really looked like. To top this breakfast, seniors of the future will really need a lot of imagination — and guts!

Lisa Gallant GoodLuck to KF, DC, AB, LK. Call me when you get your pearl necklace K.F. KA. you are a special guy. I love you Mom And Dad and Todd. Kassy you will be a great Mom. I love Michel. Led Zep always!

Look Forward, Not Back

Today we are teens, tomorrow adults
Our body and mind have begun
but there's so much more to be
Time is a ladder and the days
are it's rungs
life is but our song waiting
to be sung

,I know our time together was
more than school
For learning is more than sharing
books and enforcing rules
Graduation is a beginning,
thats an old cliche
But it is also an ending,
we all feel that today

And though the path before us
will wind, dip and even fall
We'll always end up higher
answering our spirits call
And if you should ever need some help,
look forward not back
Because you'll be in your future,
not in your past
Because I'd like to be
in your future
please take me from
your past . . .

Looking Ahead

In 1776 America became free and Independent from Britain, free to make its own laws, to make its own decisions, and to plan its own future. After graduation the members of the Senior class will be free to plan their futures, free from principals, rules, and requirements. They will be off to college or to travel, or maybe to a new job.

What about ten years from now? What will the class of '83 be doing then? "I'll be driving my Lamborgini Cuntash to my 65 foot Bayliner," said **Mark Drews. Dennis Koenig** said, "I'll be making lots of money." Like Dennis and Mark most of the senior class plans on getting rich. A few Seniors don't just want money, they want a good love life too! "I'm going to be living in Malibu with my rich, sexy husband," said **Stacey Shaw. Linda Greenwald** said, "I'll be going on world tours every winter with Jeff and leaving the 25 kids with Grandma. Other Seniors have given serious thought to how they're going to make money. **Laurinda Clark** plans to be an interpreter. **Bradley Schluman** wants to work in a law firm and **Glen Cote** plans to be involved in films.

The Founding Fathers of America, with their plans and dreams turned this country into the land of opportunity. What a perfect place for the class of '83 to pursue their dreams for the future.

To the Seniors — a special class — I want to wish the very best. I thank you for your dedication and work on behalf of Woodbridge high. The attitude the class has displayed from the dusty beginning has been superior.

I leave you with a thought that I have always felt timely; "What's the use?" and "Why should I?" are the two most fatal phrases in the English language. They mark the dividing line between success and failure for hundreds of thousands of human beings, according to Chauncey M. Depew, late political figure. "What's the use?" is the philosophy of the chap who throws up the sponge when the battle has just started. He sits down alongside of the road when he finds the signpost has deceived him — instead of lengthening his stride. He is satisfied with "good enough." He has no goals, no visions. He accepts no challenge.

"Why should I?" is the cry of the work-dogger. His aim is to do just enough to "get by." He is a Clock-watcher who is afraid he will render more service than he is paid to perform. He is too lazy to think; too selfish to put his shoulder to the wheel in a common course.

How much more vibrant and dynamic are the phrases, "It can be done!" and "You can count on me!" These phrases sparkle with the spirit of success that I will always equate with the Woodbridge High Class of 1983.

Sincerely,
Greg Cops

Varsity Week 1982 . .

The Varsity Days Court: Sasa Dojcinovich, Jill Ivey, Queen Tami Luft, Caroline Carlson, and Crownbearer Jennifer Albright.

"The Four Seasons" . . .

Varsity Days 1982 — "The Four Seasons" — hit Woodbridge High like a hurricane in August. The spirit and participation shown by students was the best yet.

The highlight of the day was the Varsity Days football game in which Senior Tami Luft was crowned Varsity Queen.

To top the night off, there was a Varsity Days Dance dedicated to our queen and the varsity football players. There, the dance floor never stopped shaking and the students never stopped grinning.

A Magical Night to Remember

The Crystal Cotillion, sponsored by the Pep squad, was a huge success. Held in the beautiful atmosphere of the Turtle Rock Community Center, the band Sleeper provided a magical night of dancing fun for all.

The highlight of this special evening was the coronation of the Crystal Cotillion Court. The grand title of Crystal Cotillion Queen was held by Senior Nancy Troy, while Kevin Armstrong was crowned King. The Junior crowns were awarded to Krista Roznos and Jeff Heringer. Wendy Spitler and Mark Phillips received the Sophomore honors while Freshmen Stacey Waller and Dave Dacus rounded out the court.

1. Crystal Cotillion court. 2. "Precious doll" Stacey Waller reigns as freshman princess. 3. Junior prince Jeff Heringer presents Krista Roznos with "royal" flowers. 4. Star-struck Wendy Spitler gleefully accepts the title of sophomore princess. 5. Senior King Kevin Armstrong and queen Nancy Troy pose for a moment of coronation celebration. 6. Terry Beckerman and Dave Miller Skanking the night away. 7. Willy Coffey, Matt Marks, and Shane Rozell-Chippendale calendar men. 8. Hopes are high with the commencement of the coronation ceremony. 9. Cindy Gilbreath dances dreamily with her escort. 10. "Come on Billy, let's dance?" coaxes Diana Bracy. 11. Debbi Hoffman and Mike Boom pause for a moment of relaxation.

The Signs of The Times

The year 1982-83 was definitly a year of change. Though it was not as drastic as past years, people still showed how they felt, what they were and what they liked in fashion and fads. This year it was mods and vespas, skanksters and buttons, MTV and MV3. Calendars were a big hit — from Ziggy to the 'Barely there' 1983 swimsuit calendar. Yogurt Time became a lunchtime favorite munchie. As for fashion — boots of all styles were a hit as well as bow-ties, hats and make-your-own-earrings from The Bead Shop. Some say fads come and go, yet they are signs of the times — unerasable from our memories — always there to look back on.

---

1 Mods Tracy Madden, Erin Goggin, Vivian Ceballos, Steve Kramer and Pat Park — A trip back to the 60's? 2 A sticker to add skank to any car window. 3 Vespas — Another way to scoot around town. 4 From 'Cats to Ants' — buttons show selectivity. 5 MTV (music television) a new video experience. 6 Calendars of '83 provide the new healthy sex-appeal. 7 Yogurt Time — A nice change from ice cream. 8 Ties aren't just for men anymore! 9. From peter pan to spiked — boots were the craze. 10. Hats — a fashion brought back from Lady Di

Looking Back . . .

A Year of Disappointment and Optimism

The year 1982-1983 contained many events which will be remembered for years to come. There has been a landmark made in medicine and Unemployment is at a record high. Unemployment has been at a constant rise all year long. Reagans high hopes turned into low blues. The biggest question is how long will it keep rising.

The nation was stunned when several people were found dead due to cyanide poisoning. The cyanide was placed in Tylenol capsules. Halloween was just around the corner and many people feared that copy-cats might poision the childrens Halloween candy. Several cities and towns ban Trick-orTreat while a multitude of concerned parents forbid their children to collect any candy.

After 11 years of top ratings, prime time, laughter and fun, the television show MASH went off the air and out with a bang. A two hour special viewed on the air-waves while partys were thrown at College campuses and in bars where Hawkeye martinis were served.

Queen Elizabeth visited the unfriendly skies of California. Despite the bad weather conditions the Queen was greeted with ecstatic admirers. She attended many events in her honor and also visited the Reagans at their ranch in Santa Barbara.

Barney Clark became the first person ever to receive a permanent artificial heart. He will have to carry with him a large machine for the rest of his life, but that's O.K. with Clark.

Football fans became extremely irritated this year when Super Bowl repeats were shown instead of the regular season games. This was due to a players strike. But things got back on track and Super Bowl XVII was under way. There was some doubt as to if the Redskins really deserved the title after such a strange and short season.

Princess Grace Kelly died at age 57. She died a very tragic death and was mourned for all over the world. Hollywood also lost a great performer, Henry Fonda, who died at age 77. He made 85 films in his career and won his last film "ON GOLDEN POND".

The leader of the U.S.S.R., Leonid Brezhnev died leaving his position to Yuri Andropov. The U.S. holds mixed feelings about his death, great hopes but much concern.

Raging storms pounded the California coastline. Houses slid down cliffs, houses and cars were flooded, and land mark piers were destroyed. The storms did not leave without taking several lives.

This was the year 1982-1983. A year of new hopes, tragedys, excitement, and doubts. Truly a year to be remembered.

The *Dating * Game

DESPERATE . . . BUT NOT SERIOUS

Woodbridge and University's version of "The Dating Game" was a huge success! Willy Coffey, Bill Russel, Sean Wright, Tami Luft, Lisa Clark, and Holly Hodapp revealed their private lives and fantasies to February 3, 1983's sold out audience. Jim Panteleo and Staci Shaw chose their dream dates by inquiring about University students' idea of a perfect romantic evening and their chest hairs. Jim Park acted as icing on the cake to complete the lively, fun filled evening.

1. An enthusiastic Staci Shaw inquires about the bachelors' favorite bedtime stories. 2. Jim Panteleo embraces the lucky winner. 3. Emcee Jim Park entertained the audience with his dry wit. 4. Tami Luft meets Mr. Right. 5. Sean Wright: image of the ideal bachelor.

Junior-Senior Prom
A Night to Remember

1983 was a year for many firsts at W.H.S. including the first Junior-Senior Prom, held on June 4 at The California Plaza in Buena Park. The Prom was a smashing success with many memories. Joe Jackson's "Steppin' Out" was the theme song, referring to the Senior Class, the first to "step out" — in style — from W.H.S. The highlight of the evening was the crowning of the Senior Prom Queen Lori Foresz and King Doug Cooper. Their court consisted of princesses Stacey Erickson, Kendall Fike and Cathy Giddens, and princes Eric Nickel, Jim Park, and Kevin Tonai

A.S.B. Working to Improve the School

The A.S.B. Cabinet began their journey through leadership last year with elections and interviews for several appointed positions. Working through the summer, the group of eighteen planned numerous school-wide activities for the 1982-83 year. The major portion of this planning occurred last summer, during a weekend stay, in Lake Arrowhead.

Our school government organizes many time consuming projects. Such projects include our Varsity Days celebration in November, several pep assemblies, the school wide picnic, and countless tedious tasks such as overseeing all clubs and helping with all dances. This cabinet has also researched and purchased the activity windows in the Activity Center, the kiosk board in the quad, along with the trophy case which displays our school's countless awards. Such things help to improbe our campus, but the work is never done . . .

Orchestra: A Fine Group Of Musicians

The Woodbridge High School Orchestra is made up of forty-five fine musicians. Each year this outstanding ensemble gives four to six concerts and participates for ratings at an orchestra festival. In the spring of 1982, the orchestra toured to San Diego and presented three concerts in that area. This year, the orchestra toured to San Francisco to perform in concerts and music festivals in the Bay area. These trips are in addition to the orchestra's usual schedule.

Real Women Make Quiche

Girls' League Means Working Hard

The Girls' League is a service club that has nineteen members and seven officers, including President, Leora Berdner. Mrs. Laurie Chrystal and Miss Coleen Cross are this year's advisors. The girls wear their red, white and gold uniforms every Tuesday and attend weekly meetings. The members of Girls' League devote their time to various activities, including selling programs at the football games, monthly bake sales, the Valentine carnation sale, the 60's dance held in March, and the Fashion Show, at the end of the year, featuring formal wear.

The club also made donations to the Albert-Sitton Home and the newly added trophy case in the activities center.

Most of all, the girls enjoy what they do, which makes being a part of Girls' League worthwhile.

Real Men Don't Eat Quiche

Manly Man's Club Promotes Manly Spirit

The Manly Man's Club is a new organization formulated to promote manly spirit at Woodbridge High School. It is in the process of sponsoring a bake off contest with the Girls' League. The advisors of the club this year were Mr. Larry Crystal and Mr. Bob Messina. This club consisted of Senior and Junior "men" and their "tomatoes" (female members of the club). This year, the club elected Kevin Tonai as its "Bookie," the person who deals with the money, Eric Nickel as the "Sergeant At Arms" to keep law and order in meetings, and Kevin Armstrong as the "Big Guy."

The tomatoes (A.K.A. "the Tommies"), enrich the club atmosphere with feminine giggles and womanly smiles. The Tommies' main duty is to keep their ferocious men in line. And of course . . . real women don't pump gas.

This newly-founded club was developed on our campus by a bunch of enthusiastic people, ready to involve themselves in fun, interesting trips and experiences. The club has about 35 members and is constantly recruiting others that are interested in having a good time.

Despite its name, the club has gone on several trips involving activities other than backpacking. They had a one-night campout to O'Neil Park, cross-country skiing at Big Bear for three days, they also went mountain climbing for three days.

Led by advisors Mark Celestin and Jeff Putman, co-president Wendy Spitzer, and co-president Lisa Kligman, and supported by group participation, has helped them to become one of the best clubs on campus.

Although these trips can be expensive, they've minimized the costs. They sponsored their first pancake-eating marathon and they've participated in the fund-raisers during the holiday festivals.

This new club is growing fast and is definitely one of the most successful at our school.

A.F.S. is an organization that has helped over 100,000 students on international adventures for over 30 years.

A.F.S. believes in learning from "first hand experience" by spending a summer or a year in another country. It is an international adventure that brings people to people. You can learn more about yourself, more about others and more about your world. It takes a special person to join A.F.S — someone who dares to get involved, dares to make mistakes and goes on, and dares to grow through sharing and discovery.

In Woodbridge High our last years summer candidate, Kris Adams, went to Kenya, Africa. Our students for this year are Bojana Zuber from Rijeka, Yugoslavia and Marta Coi from Ivrea, Italy. Our two candidates for next year are Kendall Fike and Eric Beresford. Kendall is going abroad for the summer and Eric is going abroad for the year. A native from Madrid, Spain is the club advisor, Mrs. DeJong.

A.F.S. gives others the opportunity to experience life.

Getting It Down on Paper

Creative Writers of Ink

INK was created to encourage creative writing on campus and to produce a good creative writing book. The initial concept was merely a continuation of creative writing sessions by a group of friends who all were active writers and who wished to publish some works, but the club has expanded in principles and membership. With the premise that an infinite number of monkeys left alone in a roomfull of typewriters, or in these modern times, word processors, would come up with a literary masterpiece, we have named our club An Infinite Number of Monkeys. The K in the acronym was put in for convenience and it cleverly spells the symbolic word INK.

What's Black and White and Read All Over?

Shoot That Golden Arrow

This is the first journalism class at Woodbridge. Starting out from scratch, the students learned all there was to know about writing up a newspaper in a two month period and then produced Woodbridge's first newspaper, "The Golden Arrow" (designed by Jim Park). With editor Patty Keller and managing editors Jim Pantaleo and Stacey Jones, the paper has been a huge success. All involved spent a great deal of time and effort to create a top-quality newspaper.

Hard work and devotion were both involved to get stories in on time. Topics ranging from longer lunches to such things as thrift shopping and movie reviews filled the pages for the student's enjoyment. With help from department editors: Lisa Clark, Kris Nault, Mike Ward, Terri Galloway, Mark Lacey, and Charlie LeBlanc, everyone usually managed to meet the deadlines. It was rewarding experience and The Golden Arrow's first volume was a terrific success!

Competing for Academic Honors

Academic Decathlon Was a Team to Reckon With

The Orange county Academic Decathlon is a competition of academic strength in ten different areas: Speech, Interview, Super Quiz, Grammer and Literature, Math, Science, Economics, Social Science, Fine Arts and Essay. Competitors are divided into three categories by their GPA: Honors (4.0-3.75), Scholastic (3.74-3.0); and Varsity (2.99-0.00).

Each school has three different teams of six members each with two in each category of competition. The first team is made up of 11th and 12th graders. Their competitions were held throughout the year.

Shaping Our Future

Science Club Learning More

The Science Club was just organized this year. This club was involved in a project to convert grass clippings into useable fuel.

This club visited laboratories, went to the UCI's nuclear reactor and heard guest speakers on science topics. They have been involved in an egg drop competition which was trying to construct an object that will accommodate an egg and prevent it from breaking when dropped from a height.

A Fine Group of Actors

Thespians Strive for Excellence in the Field of Acting

The Thespian society is an organization designed to encourage excellence in all facets of theatre. Throughout the year, the Thespian society has been involved in numerous activities. The group raised funds through activities like Bake sales, car washes, raffles and balloon sales. They also participated in the Foreign Language festivals with such booths as the Soothsayer Tent and manned a booth at the UCI festival. The society went on trips to South Coast Repertory for a backstage tour, NBC studios as an audience, and to various movie and theatre houses.

The Thespians most ambitious project was a festival theatre production of several works. The Society's members were entirely responsible for directing, producing and publicizing the show.

Dramas Performance Was Unforgettable

Drama Club is organized to unite all students interested in drama, film and active students progress to Thespian membership and participate in all film and theatre activity.

Those who don't actually perform in stage productions help with a stage crew, box office and publicity revolving around school. Drama funtions, field trips, plays and films are shared by those members involved in drama club.

Each year, the Drama Club produces two major plays, a talent show and several other assorted productions. All students are welcome to become members and share in the club's activities.

"W. TMP" Provides a Success Year for Film Club

The Film Club revealed its most ambitious (and expensive) project this year "WOODBRIDGE: THE MOTION PICTURE!"; after an entire year in the making. A thoroughly exhausting project for all who donated an abundance of time and talent, "W:TMP!" was a rewarding and educational experience that will not be soon forgotten. Comprised mostly of Seniors, the Film Club's members are well off on their way to careers in Hollywood and on Broadway.

Although "W:TMP!" required the greatest amount of time and collaborative effort, the Film Club and Dreamers Unlimited Productions (its driving force) have cooperated with Thespians and The Drama Club on many other endeavors; "THE SECOND ANNUAL LACK OF FASHION SHOW," "MARIGOLDS," and the Thespian-Drama club's 'theme' parties — "A POLTERGEIST HALLOWEEN" and "A CLOCKWORK CHRISTMAS" to mention a few noteworthy activities.

Producing films and aiding in other activities has really shown the pride and talent at W.H.S. — especially in the case of "WOODBRIGE: THE MOTION PICTURE!" — and this pride, friendship, comaraderie, cooperation, devotion, care, concern, and considerable talent is an example for all future classes at all of the Irvine campuses to follow; this does not pertain only to students, but to teachers as well; for "W:TMP" would obviously have been impossible if it were not for the photogenic, good-natured hams that comprise our beloved faculty.

Organizing School Spirit

SCC Spirited Students

The SCC is a group of interested, spirited students who meet to organize the spirit competition between classes. The SCC proposes activities for Varsity Days and the All-School picnic. The group also lists ideas for spirit competition at rallies and for the week-long activities preceding Varsity Days and the picnic. This year the President of SCC is Lisa Clark who also holds that position on the ASB Cabinet.

Other members include: K. Armstrong, B. Bayer, D. Bellone, L. Berdner, D. Burks, K. Crane, M. Crounse, M. Dempster, R. Figueroa, G. Flynn, C. Gilbreath, T. Godoy, J. Goldstein, L. Greenwald, P. Interacting With Others

Rotary Interact a Brotherhood of Businessmen

Rotary Interact is the high school level of the Rotary International club, a brotherhood of businessmen that is world wide. The purpose of Interact is to give service to the local and international communities. This year Rotary Interact has many projects planned to help UNICEF, the Irvine Youth Program, abused children, and the immediate Irvine and Woodbridge area. Rotary sponsored a UNICEF collection drive in October by asking local merchants to display a UNICEF contribution box. In February, Rotary held a Lifesaver's week which entailed the selling of Lifesaver's lollipops with the proceeds to go to abused children.

Members of this years Rotary Interact club were: K. Adams, K. Armstrong, A. Belmonte, E. Belmonte, E. Beresford, D. Bracy, L. Clark, M. Coi, K. Cottle, M. Davanzo, G. Dixon, J. Goldstein, P. I Came, I Saw, I Conquered

Junior Classical League is an organization which promotes the thinking and culture of the classical civilizations, for application in today's society. To be eligible to join J.C.L. one must be currently enrolled in Latin or have taken Latin previously.

Many of the functions conducted by the J.C.L. deal directly with facets of Roman Civilization. For example, a Saturnalia Function held exclusively for J.C.L. members, included a gift exchange. The gifts in the gift exchange resemble those that were given during the times of the Romans. Another function the J.C.L. does is represent Woodbridge High School in the Annual Latin Convention. At these conventions latin students compete in many academic and athletic contests. The word 'contest' and many other words come from Latin. The study of Latin prepares the student for the SAT and the PSAT, more readily than any other language.

Many people believe that Latin is a dead language, yet for the members of J.C.L., it is live and well and preparing them to be well rounded individuals.

The club members are: P. Chang, L. Cornwell, S. Doble, S. Elliott, J. Harris, E. Keefe, J. Meridith, H. Powell, and V. Thakur.

The Ski Club, Makin' the Most of a Day on the Slopes

This years Ski Club had many trips planned and they turned out to be a huge success. Thirty-one students went to Utah over Christmas Vacation and they skied Park City, Snowbird, Alta and Solitude. In February there was a 3 day trip to Mammoth Mountain, which is traditionally their most popular trip. The race team competed at Goldmine on Saturdays starting in January thru March. During Easter vacation the club skied in Colorado and later in the year they sponsored a fashion show showing some of the top quality equipment for skiing. All in all this years Ski Club was a great success.

Festivals in Action; Oktoberfest & Holiday Festival

Club Sponsored Activities Were a Big Success

Many festivals were enjoyed by the students this year. The Oktoberfest, Holidayfest, Ides of March, Mardi Gras, and Cinco de Mayo were among these celebrations that were held. Many clubs participated in the lunchtime festivities with booths selling all types of foods, and games. Even a soothsayer was found on the premises. The profits that were made by the clubs were used to benefit their clubs' activities.

A Mix of Dignity and Musical Excellence

The Woodbridge High School Band is a highly active group of musicians which functions both as a marching band and concert band. Made up of approximately sixty members, this award-winning organization has placed in every competition event it has entered. Its awards include one second place and two first place awards in parades for the 1981-82 school year, plus the rating of "excellent" at a music festival last spring. The band toured to San Diego last year giving three concerts in that area which included Sea World.

This year the band has performed for five football games, four pep rallies, has been a "host band" for the Irvine Christmas Parade, and has won second place at the Eisenhower Field Tournament, a "Sweepstakes" at the Norwalk Field Tournament, and first place at the La Habra Field Tournament. The band gave a Winter Holidays Concert, Festival Preview Concert, and a Spring Concert. They preformed at the Music Festival in the spring, at the Sentinal Awards night, and have toured with the orchestra to the San Francisco area. Wherever they have gone, and whatever they have done, one can bet that they have represented W.H.S. with dignity and musical excellence.

1 David Sar — leading the band at a half-time show
2 To keep the crowds pleased, the band must play through the entire game — in the stands, as well as during half-time shows
3 Tom Carr shows that band is worth smiling about!

Drill Team Wins It All in First Year of Competition

The purpose of the drill team is to promote school spirit, to perform at football half-time shows, to compete as a group in other various school related performances and activities.

A few of the high-lights of the team season were:

This past fall was the first season the drill team became a competing unit. In October, the team took first place at the La Habra half-time show competition and in November the team took the Sweepstakes in La Mirada and first place at the Norwalk competitions, for a total season record of 3-0. The average score of the team at these three competitions was 94.2/100 a rating of a superior team.

The drill team participated in the Irvine Christmas parade as one of the host schools along with UHS and I.H.S.

Patty Keller represented W.H.S. at the international "Miss Drill Team USA" festival.

The team took the "Spirit Award" at summer camp on the UCLA campus.

The drill team would like to thank Captain Kendall Fike, Co-Captains Jodi Bressler, Calissa Sommer and Patty Keller for their hard work and dedication which helped to make this year such a successful one.

Tall Flag — A Top Ranking Team

With eight returners from the previous year, the twelve member flag team had a successful year.

At two different summer camps the W.H.S. flag team displayed their full potential. At the first, Santa Barbara camp, the team took a superior trophy and a spirit stick for exhibiting the most spirit and enthusiasm. Rachel Elliot, Lisa Rodely, and Beverly Barnum were ribbon winners in the drill down eliminations. Beverly Barnum took first place. Beverly Barnum and Nancy Harwell were awarded ribbons on the superior strutter finals for outstanding flag showmanship. At the UCI camp, the team took yet another superior trophy. Kelly McKenzie and Shauna Tong received ribbons in the superior strutter competition. Kelly McKenzie also received a ribbon in the drill down.

In field competition, the W.H.S. flag team received first place trophies at both the La Habra class B and the Norwalk class A competitions. They also participated in the Irvine Holiday Parade.

Sophomore Cheer — A New Tradition

This was the first year that W.H.S. had a strictly sophomore squad, and no junior varsity. This group was talented particularly in the area of stunts. There were a couple of gymnasts in the group who brought exciting stunts into their routines.

The sophomore squad did not get much chance to compete, but with the Varsity Yell they won the sweepstakes at camp. In April they appeared in an event sponsored by the city of Los Angeles.

They were involved in many activities such as: the cross country invitational, they were banner carrier in the Irvine Holiday Parade, and they cheered at sophomore sports events.

Cheerleaders Provide Spirit

The Varsity Cheerleader's goals included to be respected leaders of school spirit on campus to become more effective in leading crowds and generally to be a positive force on campus.

Some of the many awards received by the cheerleaders this year include the Sweepstakes trophy for all-around excellence in cheerleading. The award is especially meaningful because their peers at camp chose them on the basis of their routine execution, creativity, contributions to camp activities and integrity as student leaders. They also won the spirit Award at camp.

In October, the squad defeated other squads from the South Coast League and ElToro and Capostrano Valley Christian High Schools at a competition sponsored by Mission Viejo Mall. They won a trophy and $150.00.

The cheerleaders have had an excellent year starting with summer camp at the University of California at Santa Barbara. With the Sophomore Yell squad and the Varsity Song Squad they traveled by train to Santa Barbara. They have sponsored several successful events; the Ghostly Grams at Halloween, pictures-With-Santa, and the Winter Formal in January.

Songleaders Show Their Fancy Footwork

This is the first year Woodbridge has had a squad strictly devoted to songleading. Their job is primarily to entertain crowds with dance routines, but they also cheer with the Varsity Yell Squad. It is a lot of work to choreograph and perfect the ten to fifteen dance routines which they use at games and in assemblies. They have been crowd pleasers all year with their fancy footwork.

Varsity Song received the Spirit Award at Camp and were a close contender in the win-or-nothing competition at the Mission Viejo Mall in October. They have cheered and performed at assemblies, football games and basketball games, as well as at other athletic contests. They, along with Varsity and Sophomore Cheer sponsored the Ghostly Grams, pictures with Santa, and the Winter Formal. They also assisted with the cross-country invitationals.

Warriors Face Tough Competition

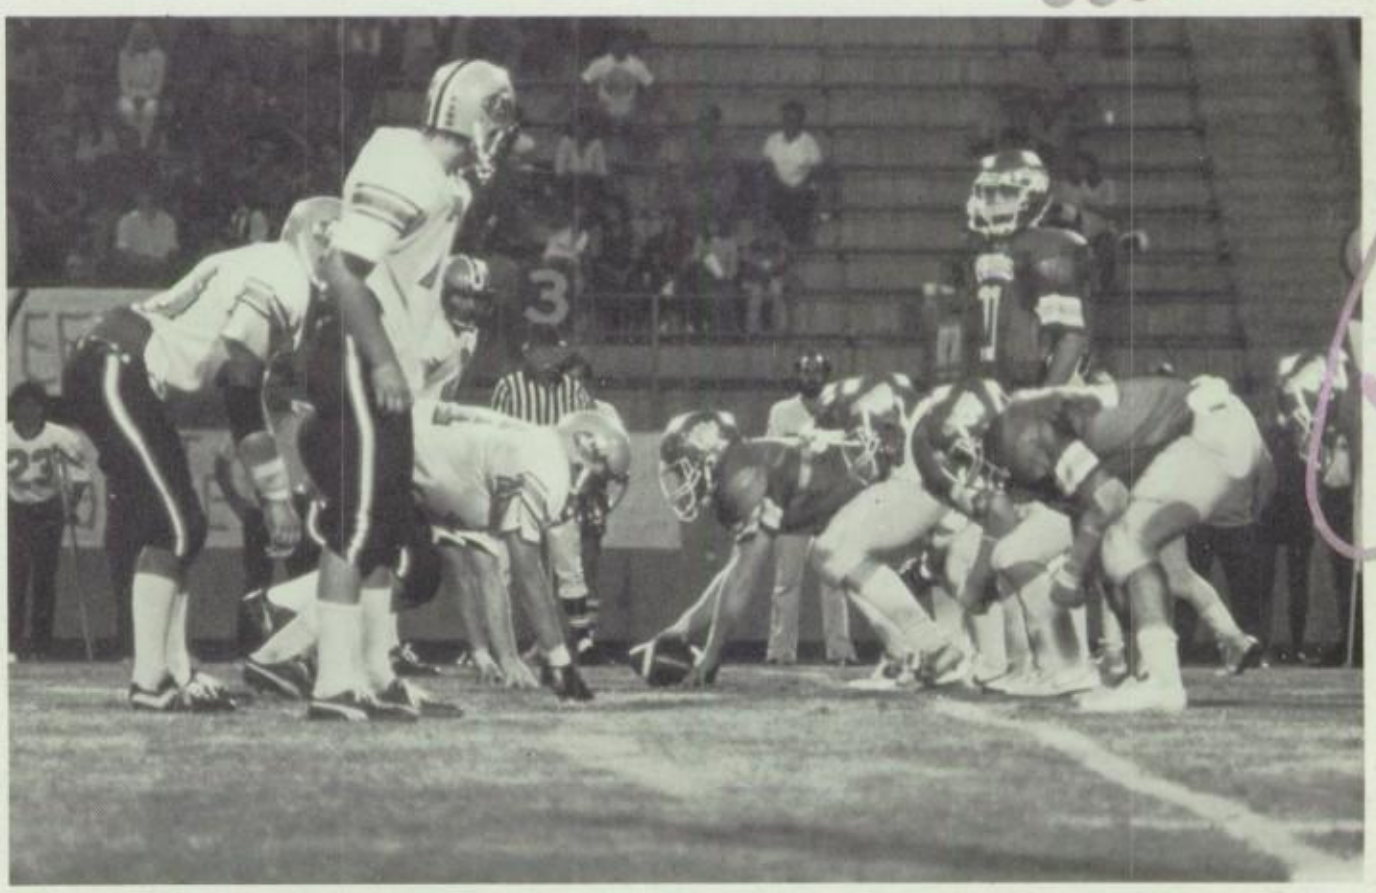
The 1982 football season was unique. included the first senior class and the Varrior's first competition in the very ough South Coast League. The win-loss ecord of 5 and 5 was a significant im-rovement over 1981 and very possibly ould have been better with a few reaks. There were several close games nd the Warriors — as always — gave 100% on every down. Steady progress vas shown in each game and the eason was definitely exciting, win or ose.

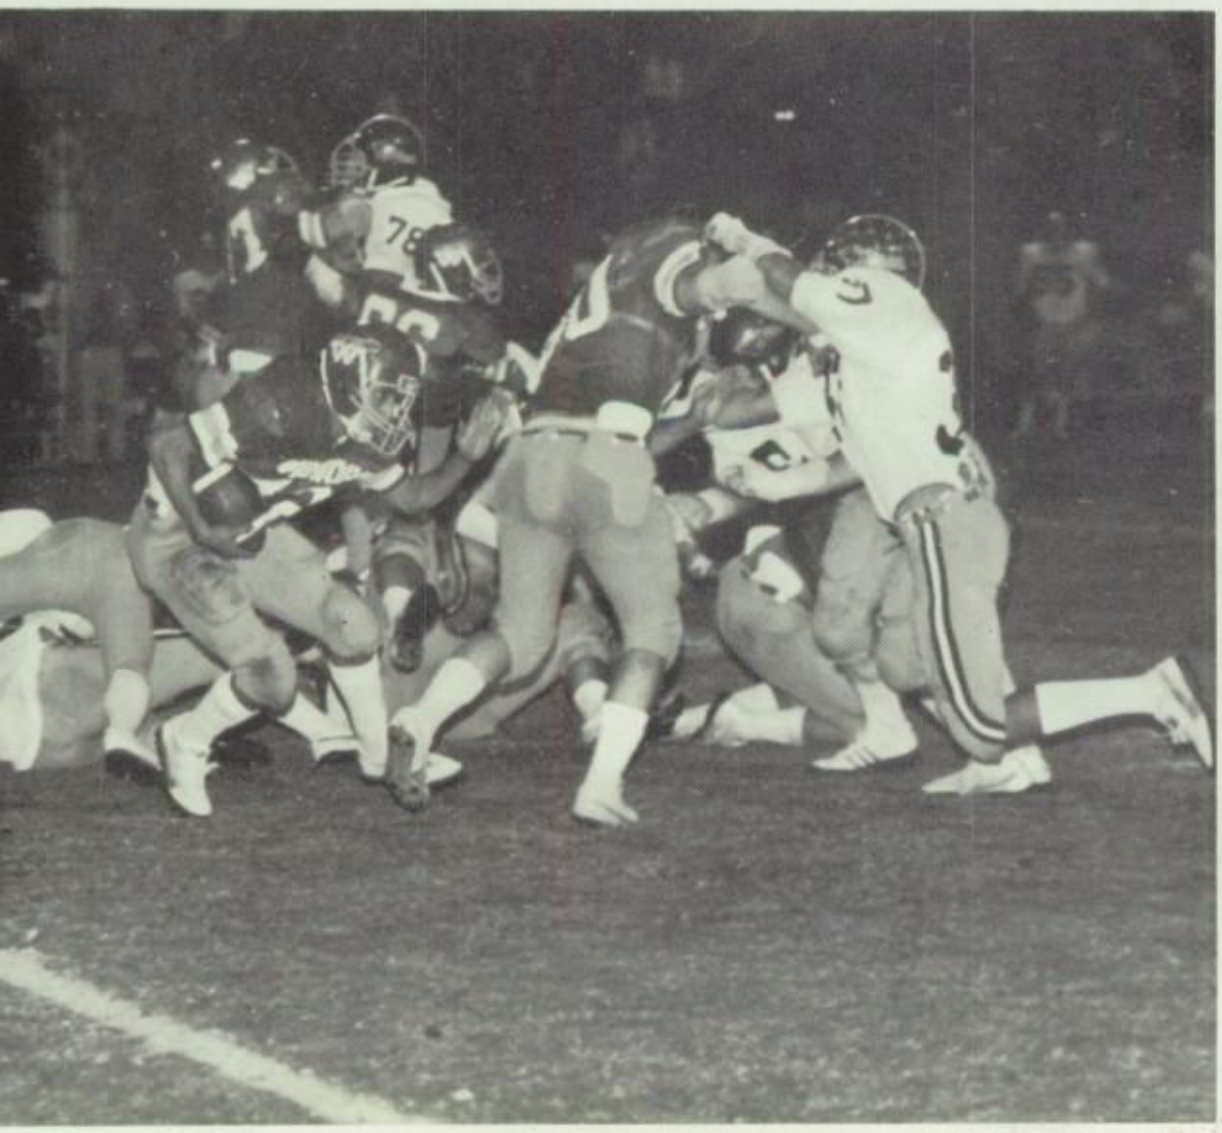
Some of the team highlights were, of ourse the 17-2 opening game victory ver University, and the come-from-ehind 20-19 victory over Laguna Hills. The winning points of that game coming in the last 10 seconds, which kept the team in playoff contention. Strong performances in key victories over Orange (23-3), Dana Hills (36-14), and Ontario (14-7), also helped the team stay in contention.

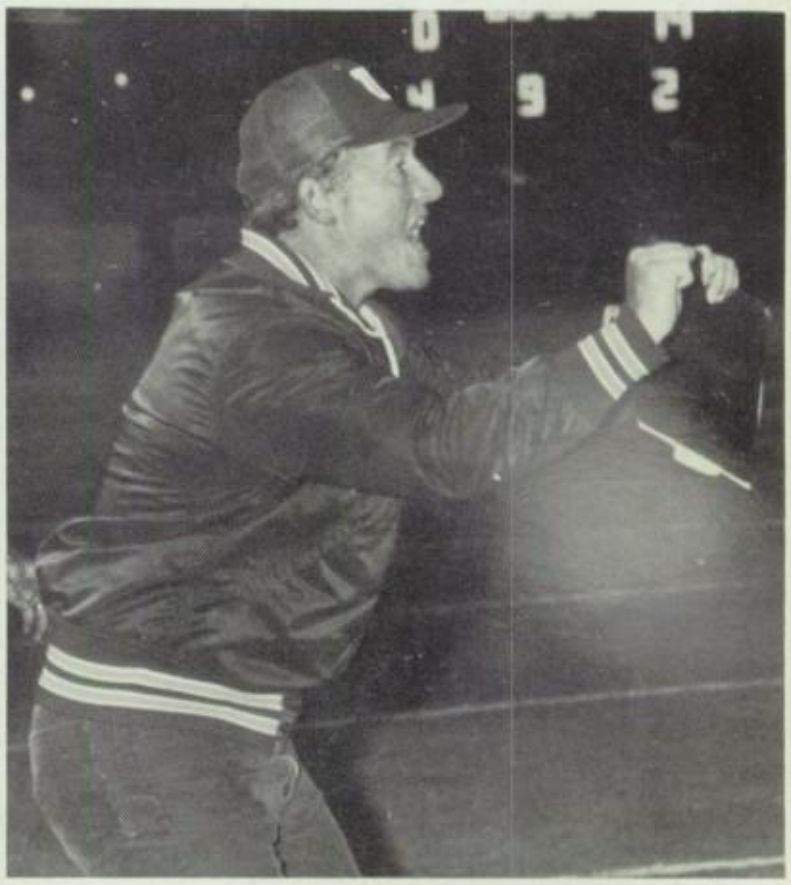
All South Coast League recognition was earned by Scott Noland — offensive tackle — on the first team, and on the second team, Kevin Burke — quarterback, Bill Russell — wide receiver, Greg Flynn — offensive tackle, Bill Whiteside — defensive tackle, and Kevin Armstrong — defensive back.

A few of the individuals honored by the team and coaches included: MVP Offensive — Kevin Burke, MVP Defense — Shaun Devlin, and Kevih Armstrong, Mst Insperational Player — John Schroeder, Most Improved Player — Ken Gascone, Special Teams Player — Frank Pannebaker, Team Captains — Eric Nickel and Kevin Armstrong, and the 100% Awards went to — Tim McKee, Greg Ruffer, and Matt Nicholson.

Over all, the season was a successful one. Woodbridge's first senior packed team, showed that they could compete in a very tough league and showed that we may be the new kids on the block, but we can't be taken lightly.



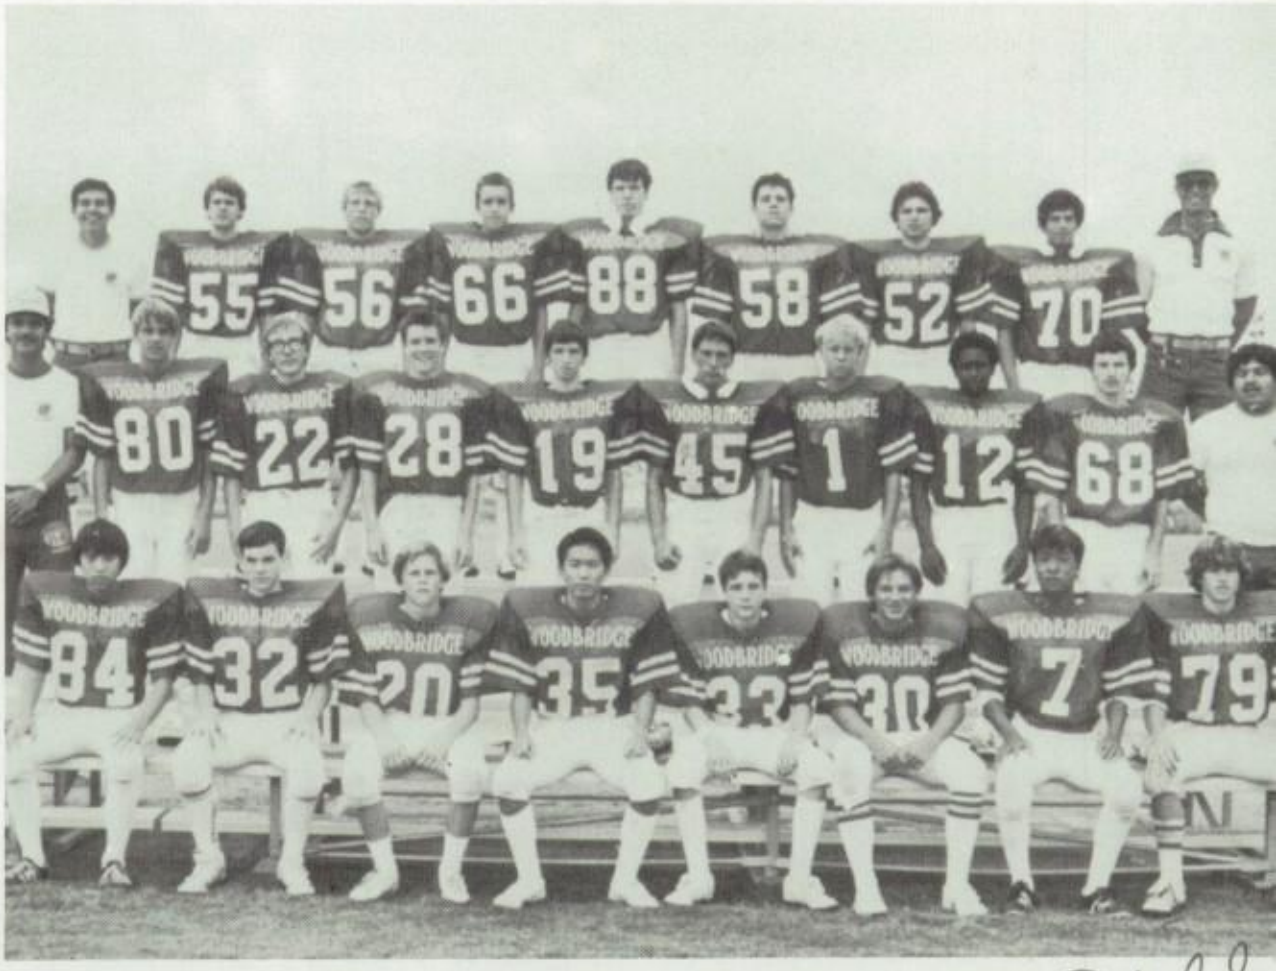




Sophomores Have Winning Season

This year's Sophomore Football Team faced tough South Coast League opponents and ended the season with a winning record of 5 wins and 4 losses. The team gained league victories over San Clemente, Dana Hills and Laguna Beach. They also posted non-league victories over city rivals University High, and Irvine High.

This year's team was led by several outstanding players. Linemen; Ron Woodland, Mark Russakow, and Curt Schmidt. Running Backs; Mark Phillips, Dan Saeger, and Matt Seymore. Wide Receivers; Mike Ishida, and Bobby Rowell.



First Row: Coach Dena, W. Whately, S. White, J. Spring, E. Keefe, C. Schmidt, R. Woodland, M. Russakow, Coach Peter. Second Row: Coach Halagan, H. Comnos, D. Andrews, R. Husband, M. Williams, D. Freshman Gain Experience

This year's Freshman Football Team ended the season with a record of 4 wins and 5 losses. The team gained much needed experience against tough South Coast league opponents. The team posted non-league victories over city rivals Irvine High and Ontario High. League victories included San Clemente and Laguna Hills.

The team was led by several outstanding players. Linemen; Cory Christie, and Darin Skilton. Running Backs; Tom VanVochris, and Jim Kocour. Quarter Backs; Matt Cornwell, and Wide Receivers Dwayne Armstrong and Ryan Bettencourt. The teams outstanding defensive players were defensive end John Evers and Defensive Linemen Tom VanVochris.

X-COUNTRY / CIF Contenders

The 1982 Cross Country team experienced a successful season of running. The boys Varsity, led by Brian Wilson, Jay Middleton, and Eric Schermerhorn, finished second in the South Coast League and qualified for the CIF prelims where they finished 6th out of the 14 teams in their heat. Their overall season record was 5-2. The girls' Varsity, led by Kim Schaffer and Lisa Sar finished sixth in the league and had a season record of 3-6. Along with the Varsity teams were the boys' JV team which also finished second in the South Coast League and was led by Gary Flynn and Jim Ferguson; the Boys' Soph team (led by Marco Davanzo) which finished 4th in the league; and the Boys' frosh team (led by Jeff Young and Doub Dohman) which finished fourth in the league. One of the high-lights of the season (aside from CIF) was the staging of the Second annual Woodbridge High School-Rotary Club Invitation which attracted 50 high schools from the Southern California area.

Varsity Team Gave a Top Quality Performance

Warrior Basketball, it's truly something all of the student body at Woodbridge can be proud of. Head Coach Mr. Bill Shannon and his Warriors are headed toward a second straight season of C.I.F. contention. Leading the warriors this season were Anthony Radovcich and Mark Foringer. Both were ranked in the countys' top 10 polls for scoring and assists respectively throughout the year. The Warriors have drawn so much attention, that it's not uncommon to fill the W.H.S. gymnasium for a home game. And speaking of home games, the Warriors won their first ever league game, here at home against the mighty San Clemente Tritons. In one of the most exciting games of the season, the Warriors defeated San Clemente 57-52.

The Warriors also took part in three tournament situations this season. The Irvine World news Tournament, the Garden Grove Tournament, and the Brea Olinda Tournament. The Warriors played extremely tough in each of the three tournaments. Mark and Anthony played big rolls in these tournaments and as a reward were named to All Tournament teams.

Helping the Warriors this season was assistant coach Steve Stratos. Coach Stratos comes to W.H.S. from Torrance High School where he was head Varsity coach. Coach Stratos is truly a welcome addition to the Warrior coaching staff.

This season the Warriors faced such strong teams as the Capo Valley Cougers who are fifth ranked in the county, and the Dana Hills Dolphins who are sure to be in the play off situation.

Coach Shannon says, "Coaching such a fun, hard working group of players for three years is a rewarding experience he'll never forget." "And being able to compete and win in such a tough league in their first season is something the school and the team should be very proud of. Warrior Basketball has combined the spirit of winning and the feeling of camaradery for a winning program."

J.V. and Freshmen Have Fighting Season

Head J.V. coach John Parbst has lead his warriors to a successful season. The warriors were extremely competitive and they hope to produce some fine future varsity athletes. Coach Shannon says "You need a good strong J.V. team to build a strong Varsity team, and we have one."

At the Freshman level head coach John Halligan has also been successful with his Warriors. Coach Halligan is in his first season at Woodbridge. Coach Halligan was assistant J.V. football coach, and in his first year he comes off of two successful team sports. Much luck next year to both the Freshman and J.V. squads.

A Year of First's for Varsity Girls

The 1982-1983 Woodbridge Girls' Varsity Basketball season could best be described as a year of "firsts." After all, it's not every year a team can say that they achieved: 1.) The first win in varsity history (42-24 over Melodyland), 2.) The first year of competition in the tough South Coast League, and 3.) The first league win in history (28-24 over Capo Valley).

First year coach Eric Bangs relied heavily upon the individual talents that each of the players had to contribute. For instance, Arlene Hernandez shot very well and averaged 14 points a game. Holly Ingraham developed into a fine ball handler and rebounder. Lisa Tripi provided the team with a "class leader" on and off the court. Susan Leahy and Karen Schoonover demonstrated dedicated defense the entire year. Kelly Wilson and Julie Burton pulled down more than their share of rebounds. Jenny Susser daily pushed everyone else on the team to work harder. Lisa Ong showed off her "nerves of steel." And Roxanne Verbarg's super quickness, along with Lori Hayes' sense of humor, definitely made the Warriors "a united team with many unique parts."

The team truely did have a successful year as they continued to improve weekly, and were competitive against all league rivals, considering their record of 8-8. And the fact that there are no seniors on the team, optimism will be running high for next years teams. (G.T.B.A.)

Varsity: Karen Schoonover, Susan Leachy, Lori Hayes, Jenny Susser, Kelly Wilson, Holly Ingraham, Arlene Hernandez, Julie Burton, Lisa Tripi, Lisa Ong, Roxanne Verbarg. Coach Eric Bangs.

J.V.: Michelle Hooper, Ann Magi, Diana Zilko, Heather Cameron, Janis Shea, Jill Daniels, Hope Carter, Cindy Scott, Sherri Smith. Coach Pat Bangs.

Junior Varsity Looking Towards Next Year

The girls J.V. Basketball team, led by MVP Jill Daniels (high scorer and top rebounder) had a successful first season. The team consisted of almost all freshmen and fought hard to win in the tough South Coast League.

Outstanding efforts were recognized by Cindy Scott, Sherri Smith and Ann Magi on defense, and by Heather Cameron on offense and rebounding.

The J.V. team looks forward to a better year next year with all returning players.

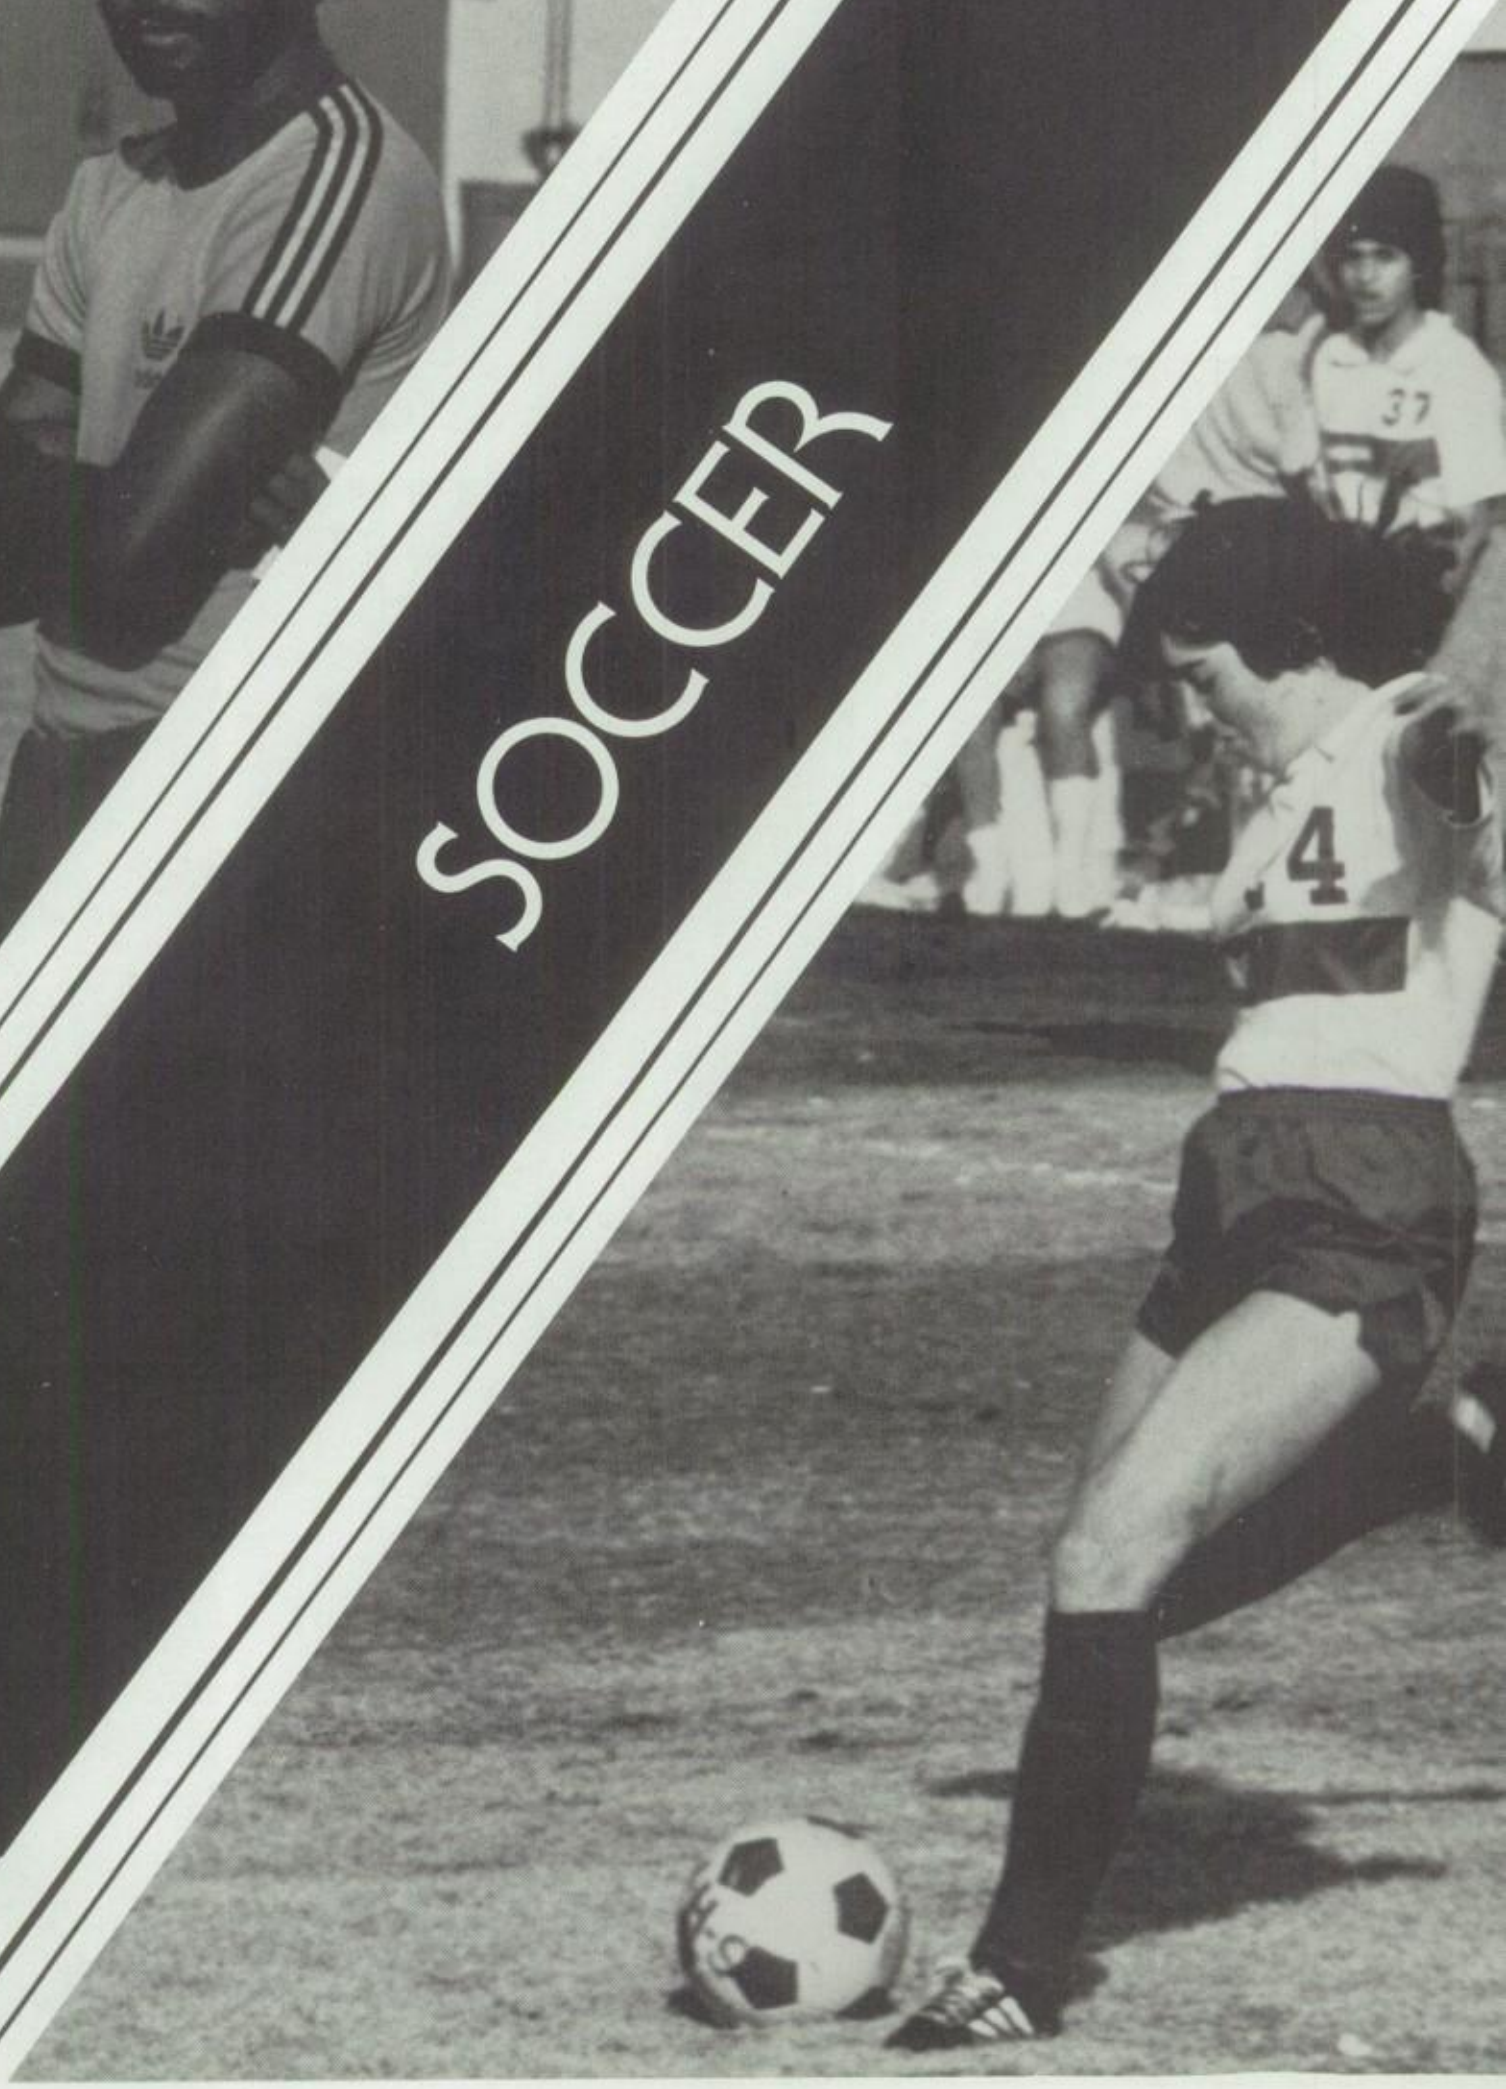
SOCCER



Warrior Pride With Stands Pressure

This is the first time in Woodbridge High School history that the soccer squad has entered South Coast League competition, and I am quite pleased with their accomplishments. Woodbridge is one of the newest teams in the league, and they have already made their mark as far as being a qualified contender. The varsity team is young and will be losing only a few Seniors. The team is made up of quite a few Sophomores and Juniors, which look quite promising for the future. The team lacks some experience, but I am sure time will soon resolve that.

This years main problems were team communication and working smoothly as a unit. This breakdown was definitely due to a lack of good communication on the field. I was very impressed with their ability and individual skills. They all worked quite hard this season, and are all excellent athletes.

I feel with a little discipline, they have the ability to be one of the top contenders in our league. I am very proud of every player on the team, and have high hopes for next year.

Some outstanding players this season were: Offensive Midfield, Hans Wilberg, Center Forward, Shane Rozell, Defense, Matt and John Evers, and with an outstanding season, Goalkeeper Yasushi Nada.

J.V. Gains Experience

Woodbridge High's first official Junior Varsity soccer team lets people know that they are not to be taken lightly. Packed with skills, determination, and the ability to hold on even in the end, shows that Woodbridge soccer will be back next year, strong and ready to take on all comers.

Key players behind the J.V. attack are, leading the way at Center Forward, Tory Haden, controlling Center Half, Todd Endres, and leading the defense, Bill Dawsen at Center Fullback. Right and left wings Chris and Greg Dolan and Sweeper Koizumi Yoichi also play a strong part in Coach Knudsen's strategy.

The freshmen team led by Albert Chang at Center Half, Chris Albright at Center Forward, Brant Westfault at Center Fullback, and Gary Knudsen at Goalie, show enthusiasm that will be needed in the future years for Woodbridge Soccer.

Over all they had a challenging season being part of one of the toughest leagues in Orange County, but through it all their determination held, and they never gave up.

The Varsity team will be looking forward to having these teams move up in the ranks, and made Woodbridge Soccer the best around.

Learning Season for Girls' Soccer

This year's girls' varsity soccer is that of a young team. The team consists primarily of Sophomores and Freshmen, there are only two Juniors and one Senior.

The team is led by two captains, Lynn DeRose for the upper class and Sandra Schoonover for the Freshmen. Both of these ladies are outstanding players. Tracey Brown, Jill Quartararo and goalie Tracey Troundrow are also a big part of the team.

Coach Pappas feels it's been a learning season for the team. The team is learning that it takes a lot to be in the competitive league that they are in. With mostly Freshmen and Sophomores on the team, they had to struggle against other high schools with Juniors and Seniors. The teams only Senior, Catharine Collen, a Swedish exchange student, is said to have been a great influence and leader on and off the field. A great deal of learning, and experience makes Miss Pappas eager to return next year.

Experience is the Key Factor

Girls' J.V. team, as well as Varsity, had a "learning" season. Through experience and hard work they have gained the knowledge needed to compete on the varsity level.

Outstanding players for the season include Laura Drucker, Michelle Harding, and Goalie, Leslie Payton. These players led the team not only in hard work but were also very inspirational.

Overall, experience was the key factor, and this experience will be very valuable in future years for Woodbridge Soccer.

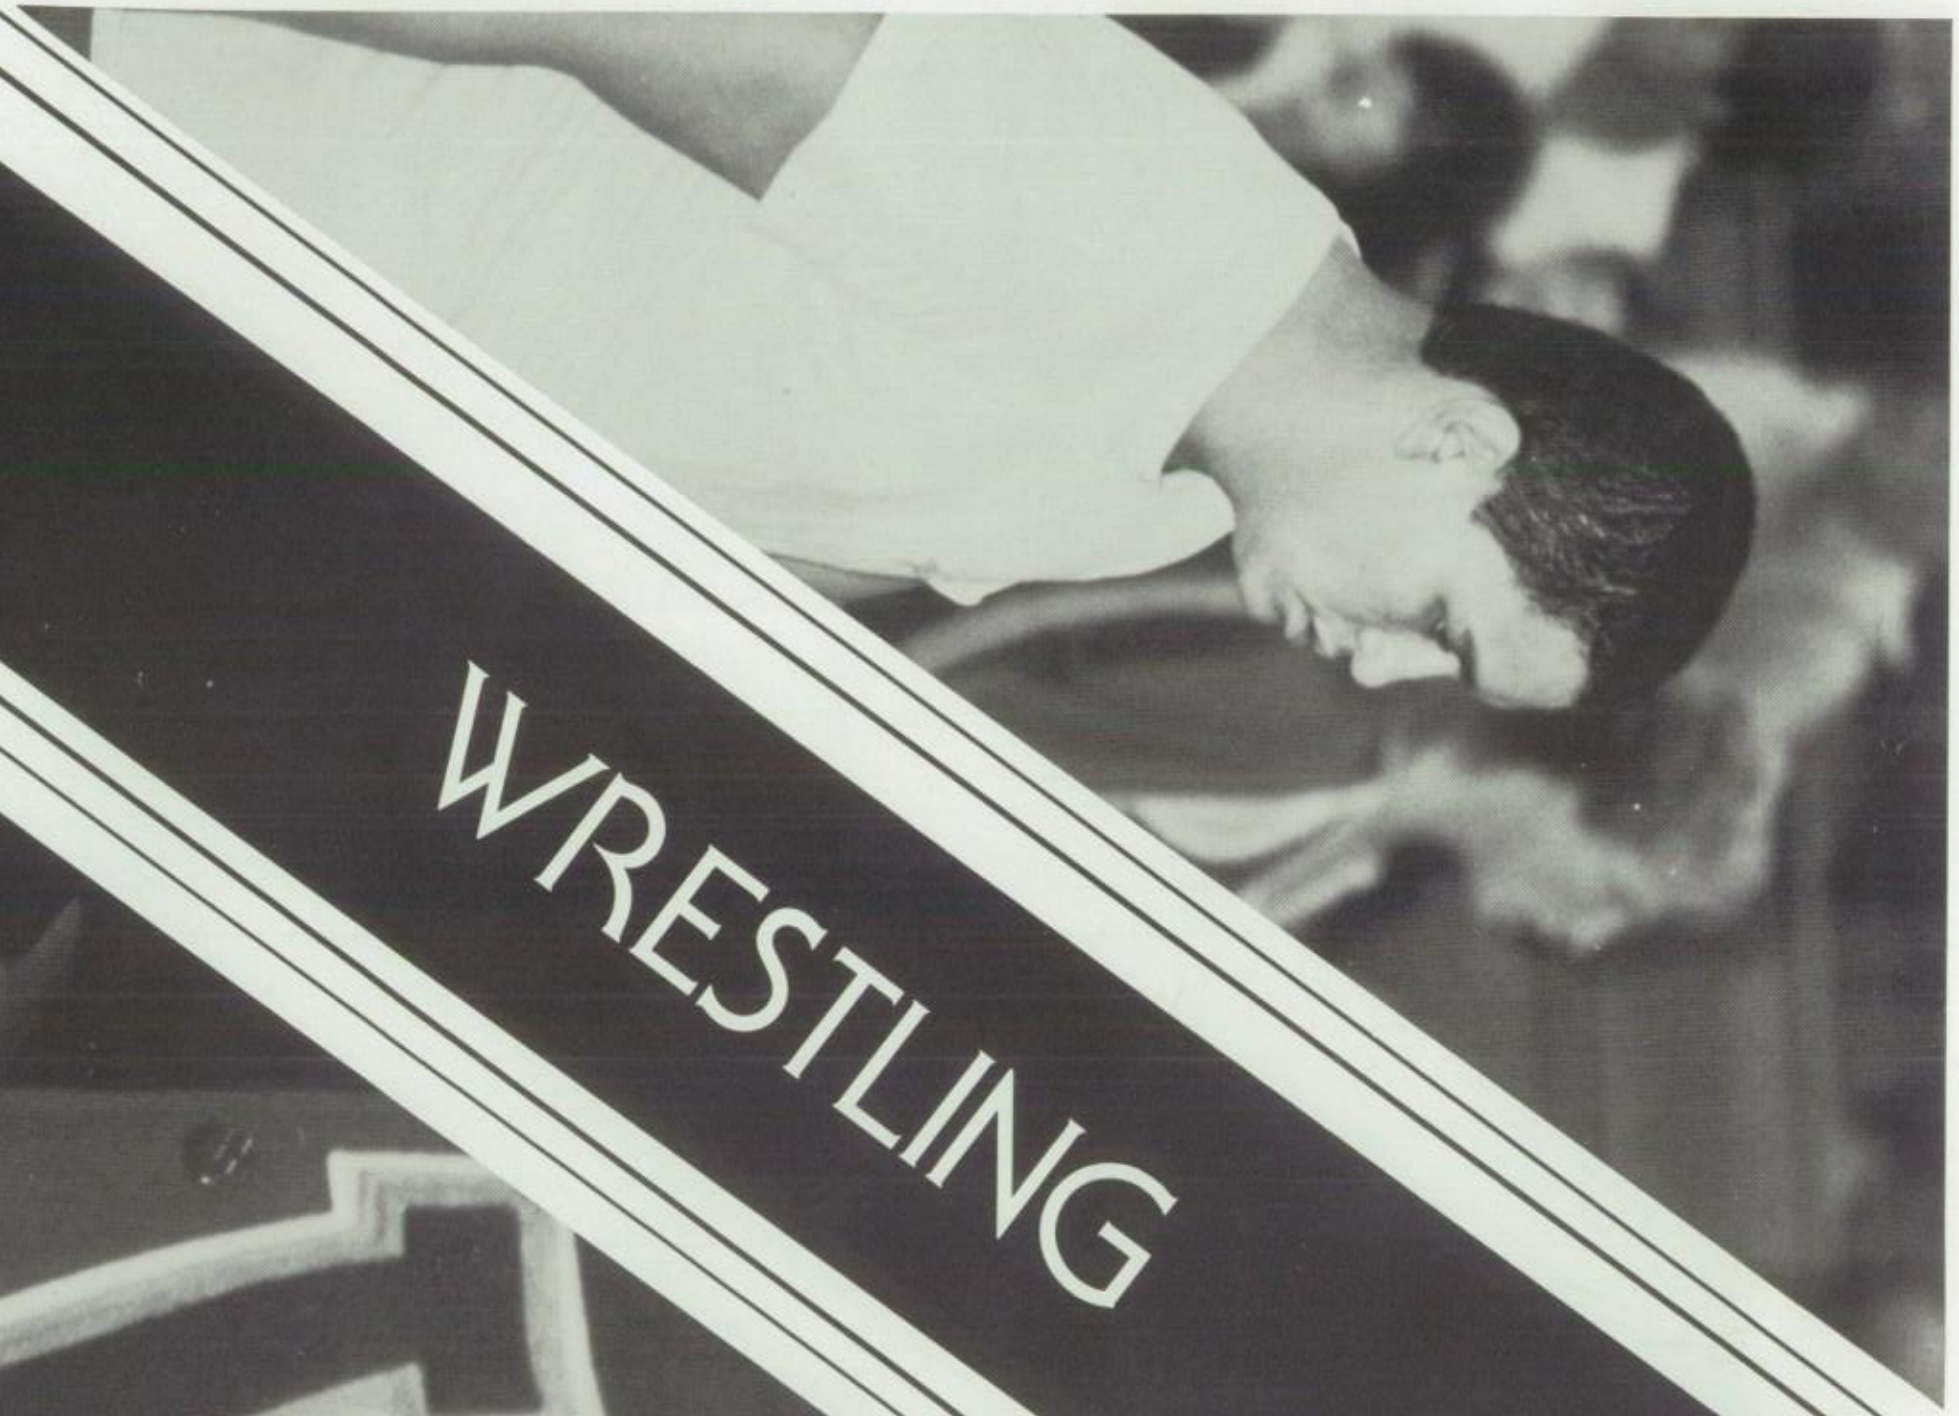
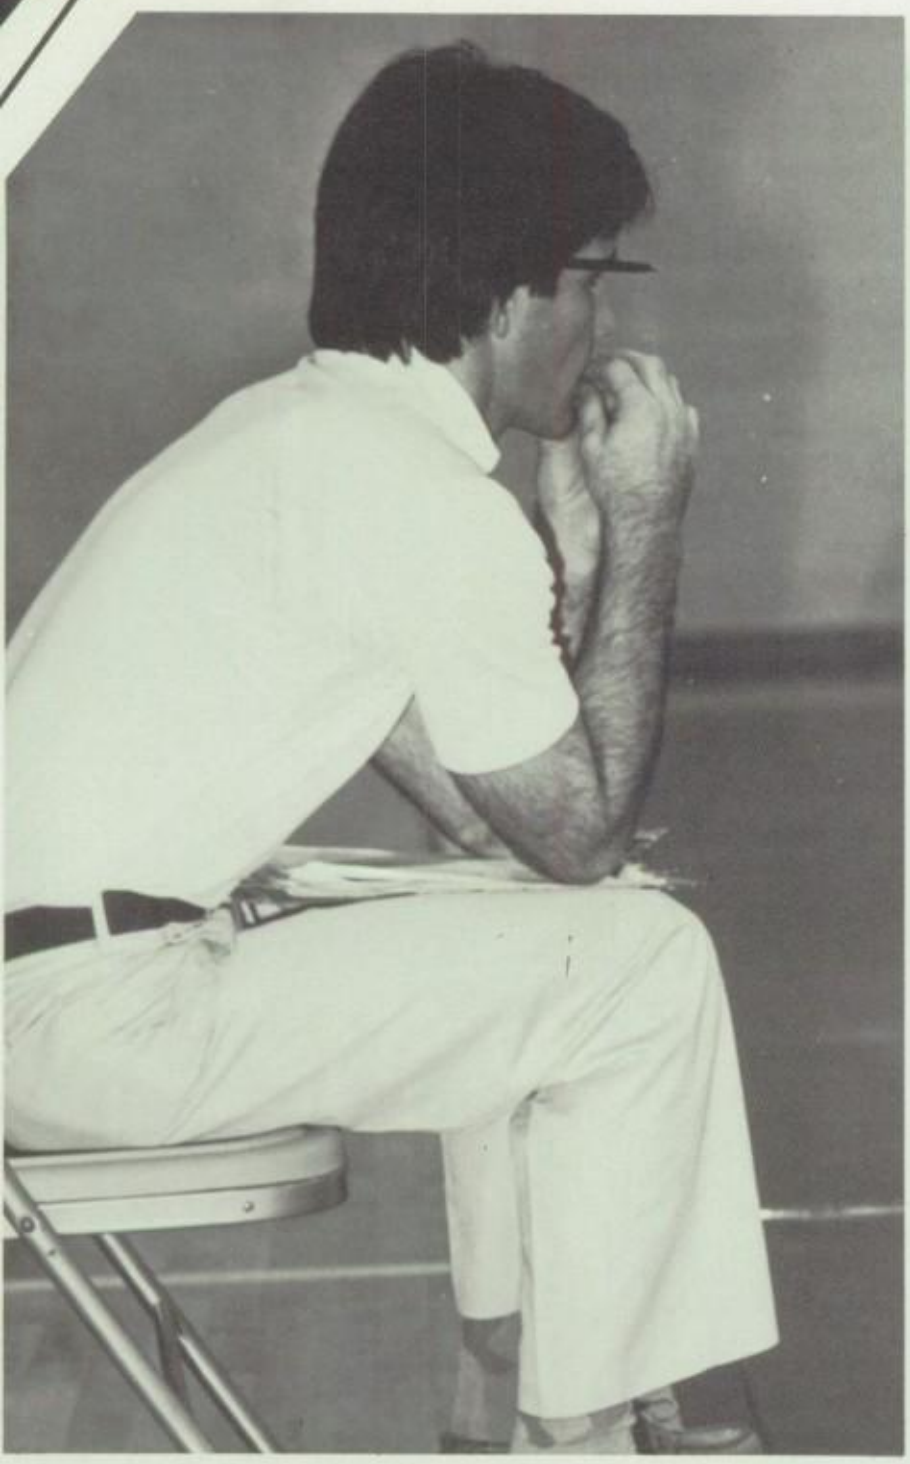
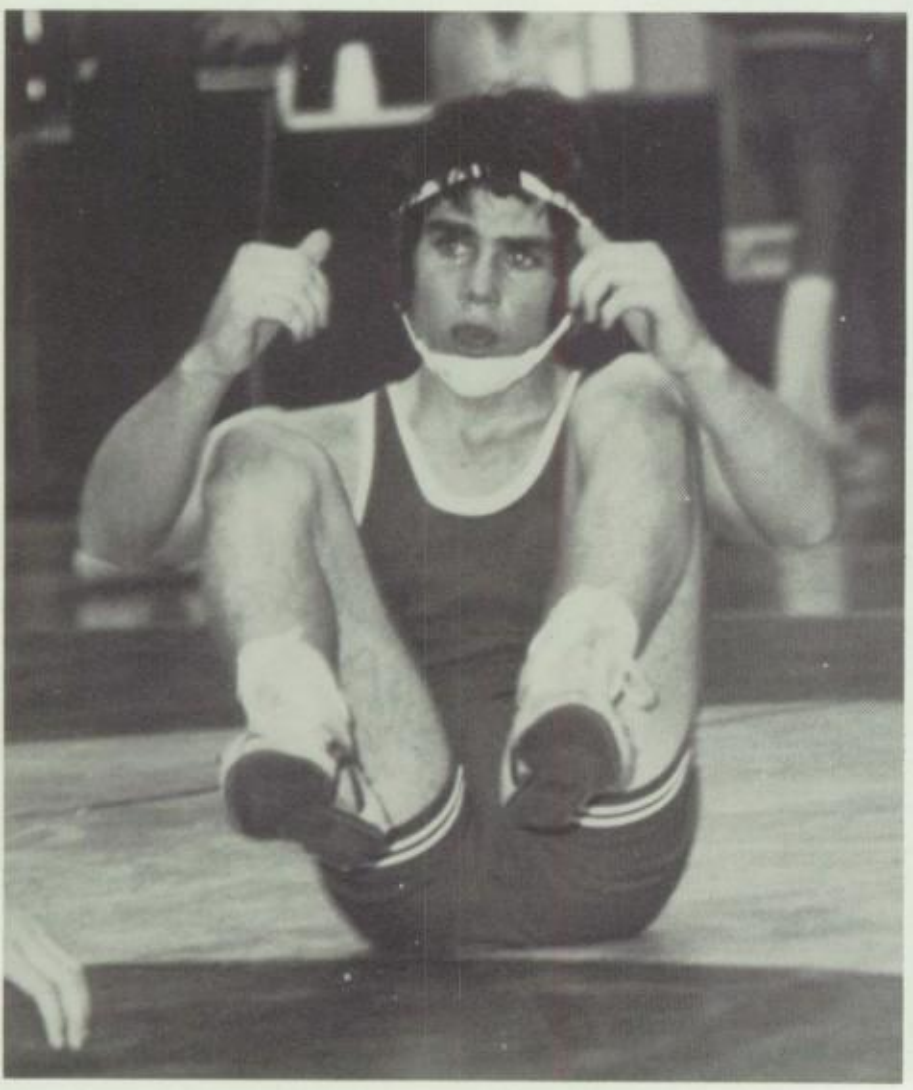
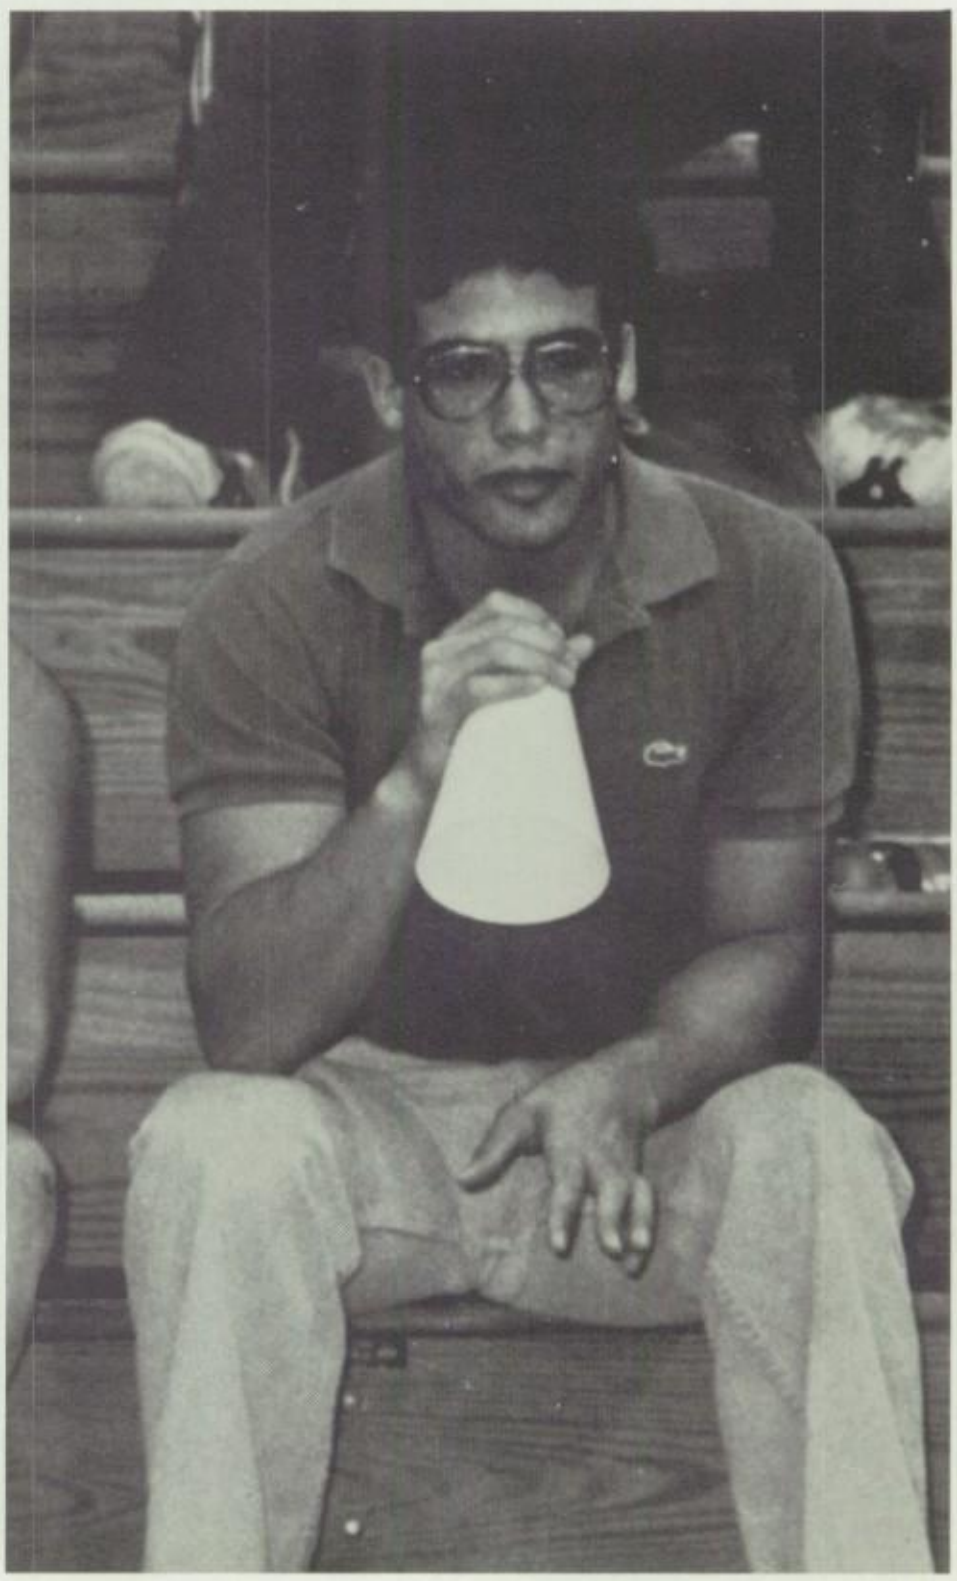
WRESTLING









Wrestlers Capture League Title

The highlight of the Varsity Wrestling Team's outstanding season was the CIF Finals and the South Coast League championship record of 4-0. Some of the outstanding wrestlers were Sean Sieler with a record of 26-4, Eric Nichel who has a record of 17-4 plus he is league champion in the heavyweight division, and Greg Ruffer who is a two time CIF Sectional winner along with Karl Larson, although the whole team contributed greatly. Coach Ott said that "we have a very good, strong team and we hope to do just as well next season."

Tennis Challenges Tough League

Woodbridge High's Tennis team entered the season with high expectations in, quite possibly, the toughest C.I.F. league ever.

Although the whole team contributed to their success, the two key players were Brad Schulman and Foreign Exchange stud Hans Wiberg. Also, the two most consistent singles players were Paul Chang and Cuong Neyen.

Both coaches, John Graber and Bill Shannon, have high hopes for the coming season.

Girls' Tennis Takes Fourth in Southcoast League

The girls' tennis team did an excellent job this year as they played in the Southcoast League which is one of the top leagues in high school tennis. The varsity team placed fourth with an overall score of 11 wins and 5 losses. The closest match was with Dana Hills with whom they tied for third, and then lost the second match against them with a score of 8-10. The varsity girls made an excellent showing for themselves with seniors Jill Ivey, Cathy Giddens, and Lori Foresz. Two incoming freshmen, Liz Ivey and Kristen Siegmund were assets to the team. Kristen also represented Woodbridge in CIF.

The J.V. team followed close behind. They showed steady improvement over the seasons with strong playing coming from Amy Giddens, Laurie Brown and Tracey Brown.

All the girls were tremendously committed and that dedication definitely paid off. They had a young team consisting mainly of freshmen and sophomores with non-stop talent. Opposing schools, — beware next season!!!!!

V. Volleyball Shows Improvement

The varsity volleyball team has shown great improvement over the previous year. We are still a very young team with four sophomores, four juniors, and one senior. The highlight of our season has been the victory over Westminster High School of the Sunset League and an outstanding team effort against the defending CIF champions, the Laguna Beach Artists. We have been led this season by the outstanding play of Brett Simkins and Tom Bursuk. Their leadership has helped with the younger players tremendously. The addition of Coach Steve Stratos to the staff has been a great help in developing the kind of successful program that we need to have to compete against the difficult competition on our schedule. We are fortunate in this area to have some of the finest high school volleyball teams in the United States. The county's number one and two teams are both in our conference, represented by Laguna Beach High School and San Clemente High School, respectively. Other players who have contributed well for the Warriors are sophomores Matt Hunkins, Scott Burch; Matt Cryer and Greg Padgett. Our junior who have played well are Steve Alt, Kirk Emmons and Lance Morcos.

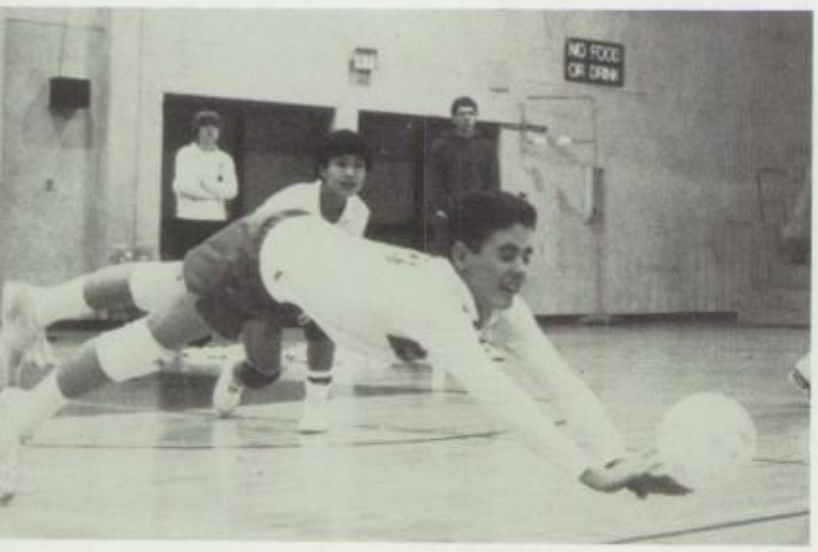
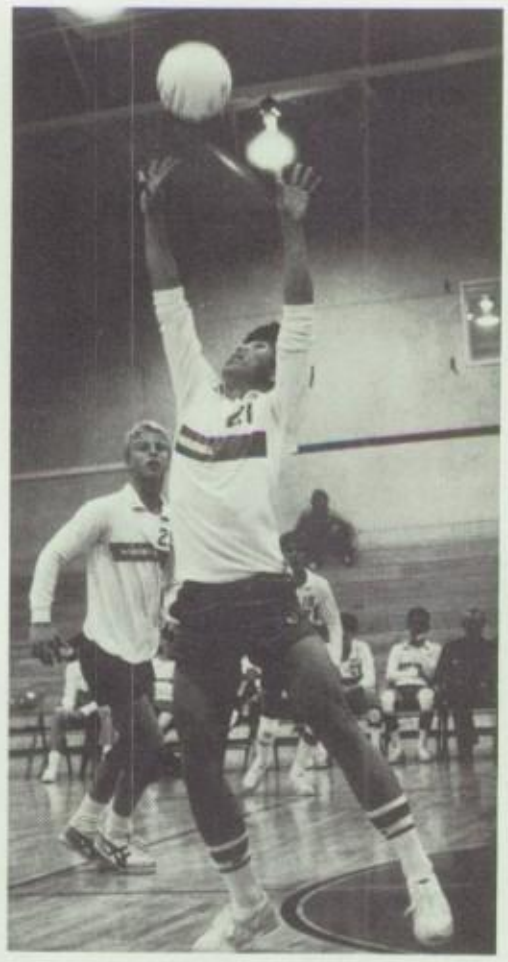
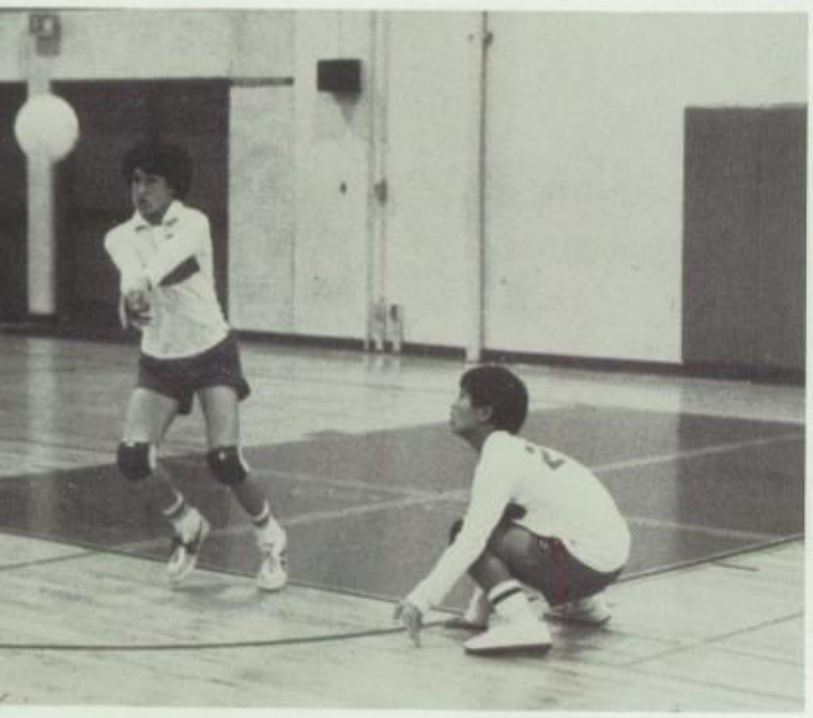
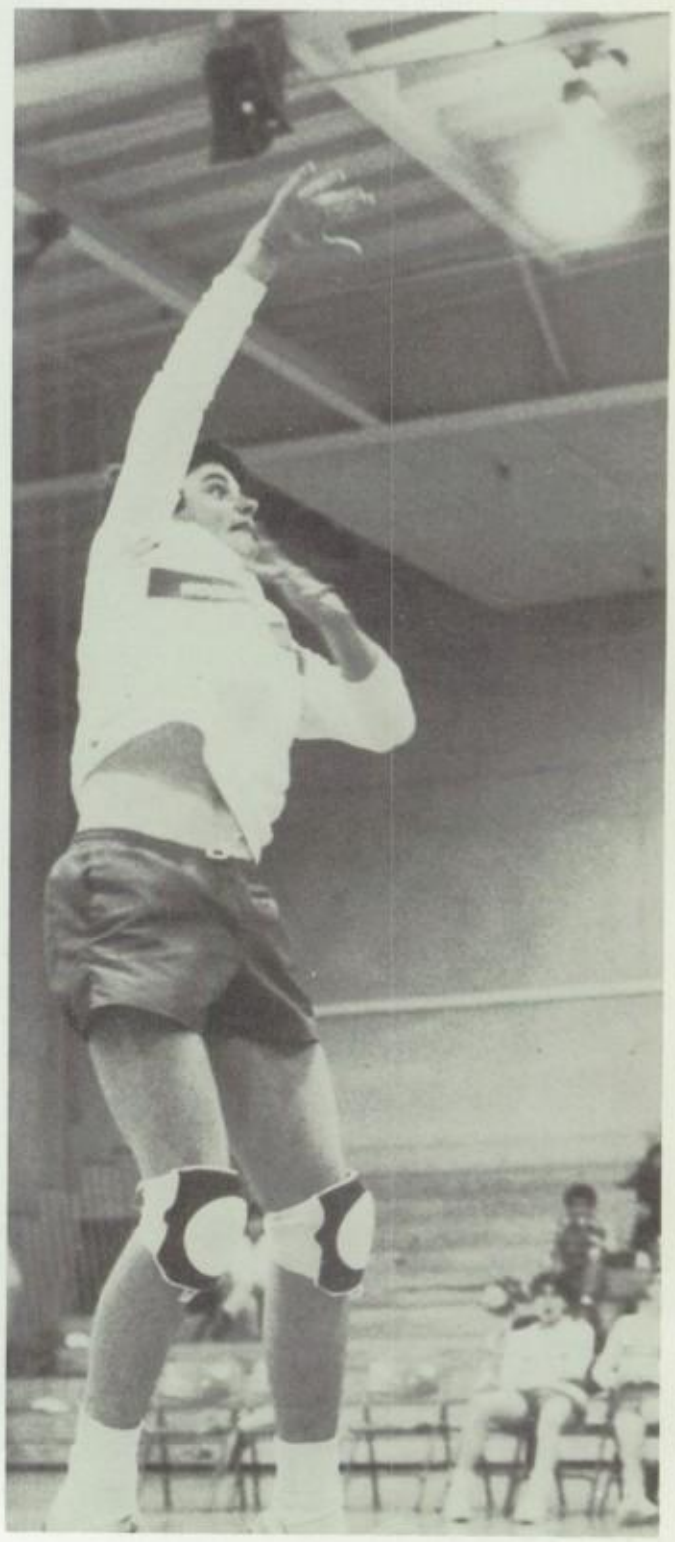
J.V. Volleyball Is Well On Their Way

The junior varsity team is 4-1 with victories over University, Mater Dei, Westminster and Laguna Hills High Schools. Their only loss in the early season came at the hands of the talented Laguna Beach team by scores of 15-10, 15-10. The JV's are playing extremely well and have been led by sophomores Tyler Mattox and Mark Simpson. Greg Brown and Sotoshi Nota have been the two setters for the JV's this year and continue to improve each week. This is also a very young team and is really talented. We have had great things from these young men that have worked so hard this season.









VARSITY VOLLEYBALL TEAM: First row: Deana Benter, Tiffany King, Coach Cross, Arlene Hernandez. Secon row: Kristin Smith, Tomomi Kaneko, Karen Baril, Allison Acker, Karen Pockock. Third row: Ilka Robison, Kare Schoonover, Nancy Troy, Janine Adams.

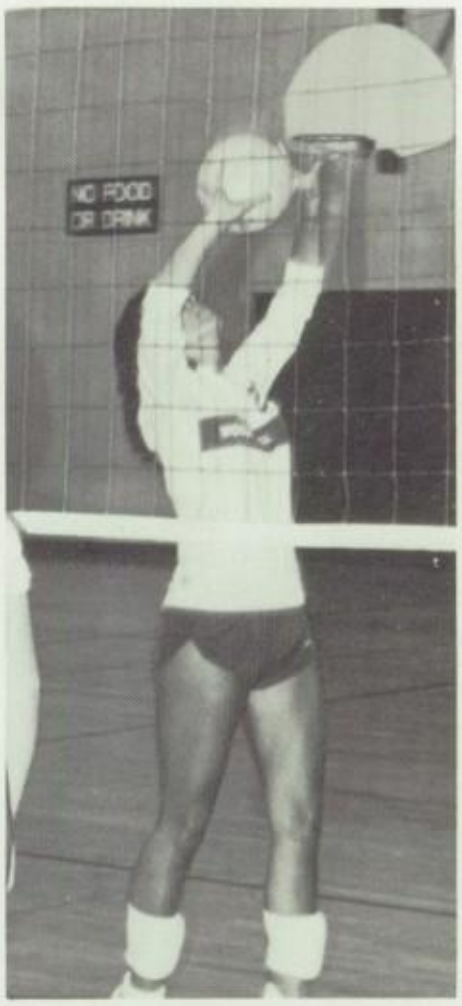
Girls' Volleyball Has Tough Season

The first Varsity season in the South Coast League was a tough one for the girls' Volleyball team. Playing in this league, which includes three of the top ten teams in C.I.F., the Warriors ended the season with one league victory, over Mission Viejo, and a lot of close heart-breakers. Two wins in the pre-season brings their overall record to 3-17.

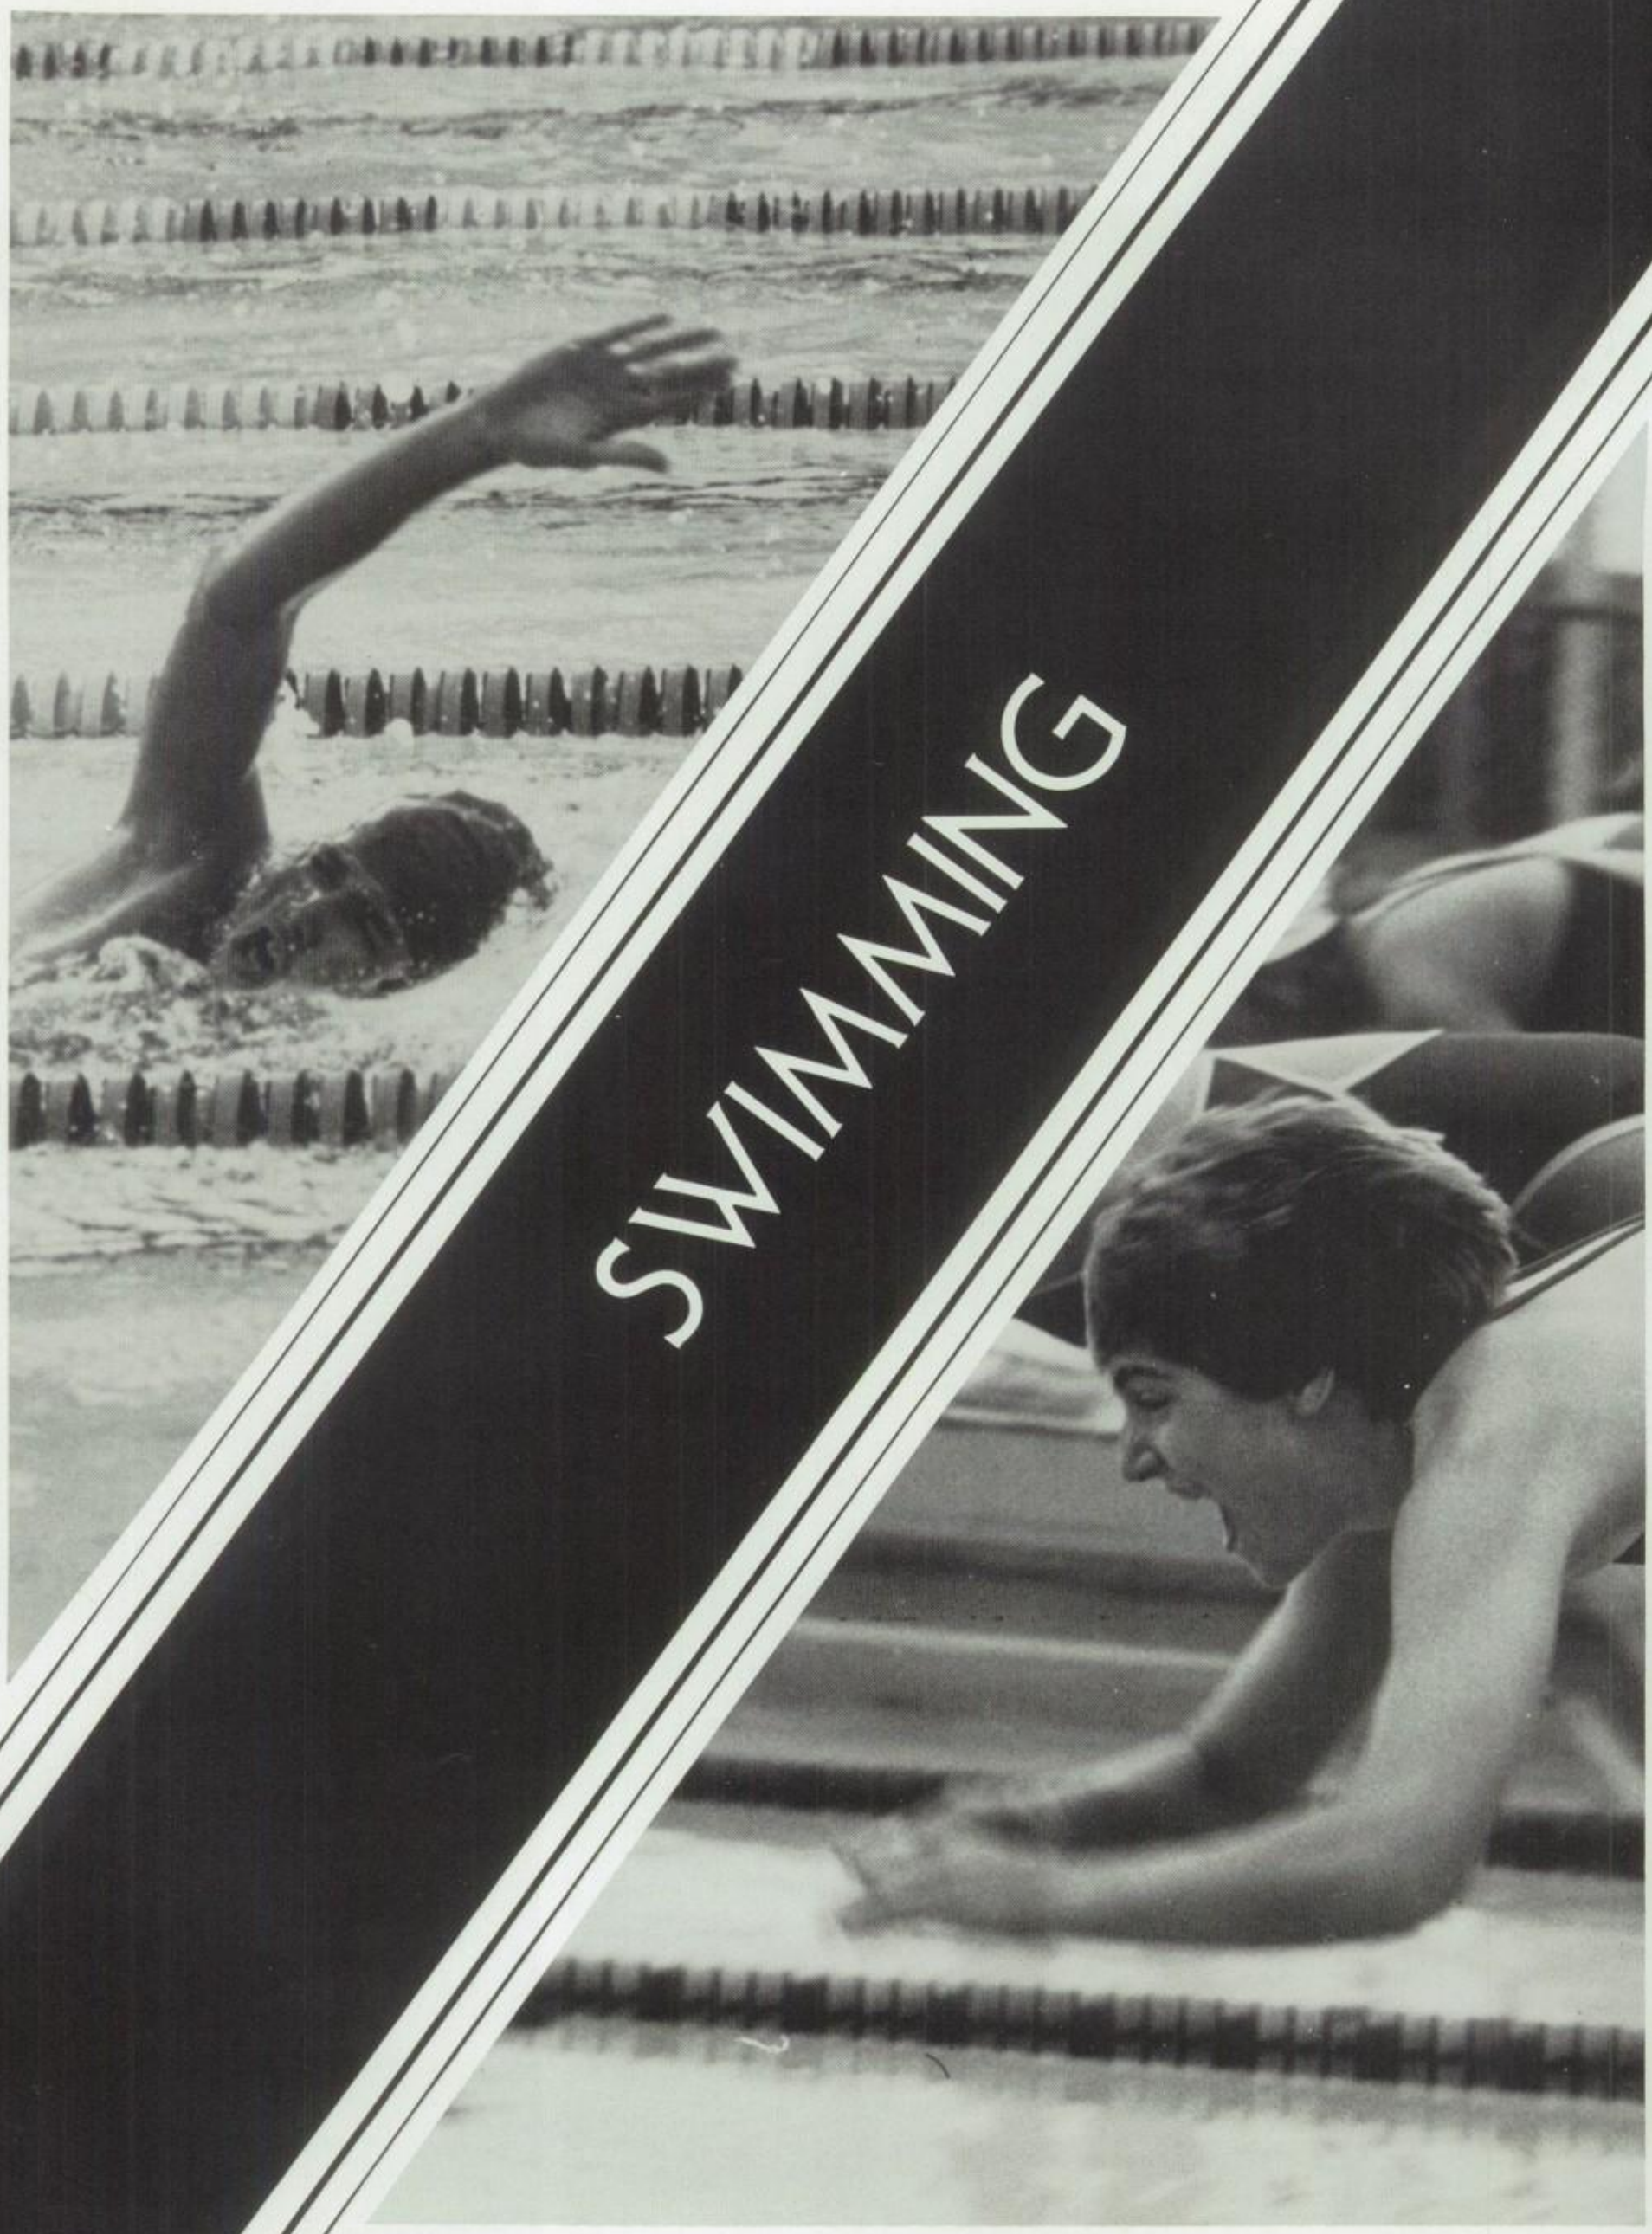
Coach Colleen Cross comments, "Although our win-loss record doesn't look very promising, this was an excellent season for us — a season for learning, and we showed phenomenal improvement. This program has tremendous potential."

The Junior Varsity team had an equally tough season, but like the Varsity, knows it was a great year for learning, improving, and building a strong program.

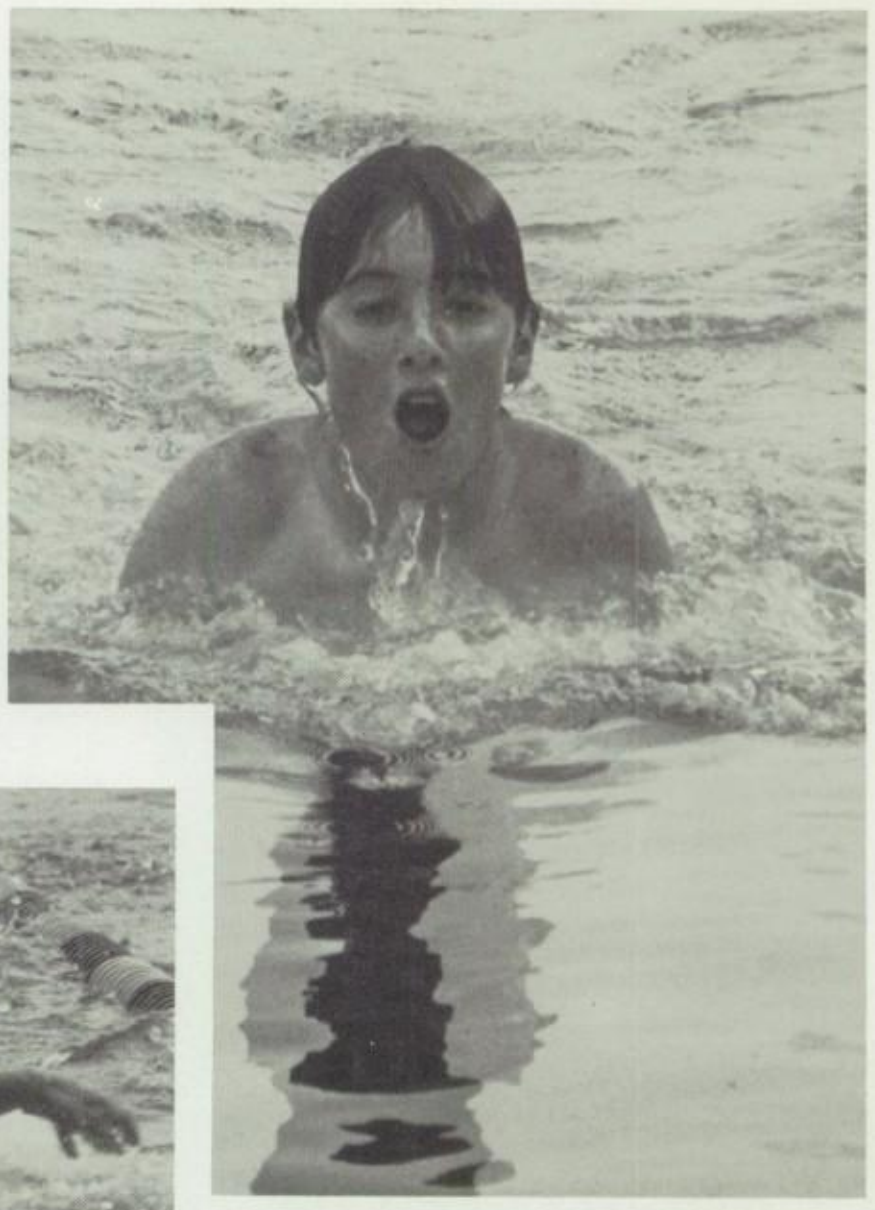
J.V. VOLLEYBALL TEAM: Top row from left to right: Holly Ingram, Jill Daniels, S. Pampas, Shannon McCaffery, Catharina Collen, Kelly Wilson. Second row: Michaela Oyague, Marta Coi, Kelly Carlylle, Chris Trausch, Alexa Williams. Third row: Lisa Tripi, Cindy Olmstead, Sandra Schoonover, Paige Carlson.



FRESHMEN VOLLEYBALL TEAM: First row: Christy Meyer, Patti Russell, Coach Cross, Sharon Hunkin. Second row: Georgette Caruso, Lisa DeMarco, Leslie Payton.



SWIMMING



Warrior "Fish"

Woodbridge High School's swim team has grown in numbers as well as in dedication in this Spring '83 season. To divide the team into Boys Varsity, Boys JV, Girls Varsity and Girls JV would be unjust because they all work out togeter, travel to meets together, and cheer each other on at each meet.

On the Varsity level, outstanding individuals and contributers were team captains Eric Roznos in breaststroke and Monica Lazenby in butterfly and in the individul medly events. Erik Westfall and Robert Otanzez were outstanding in butterfly and freestyle events, respectively. Jenny Crewe and Lynn Hobensack were outstanding contributers for points and team spirit. Jenny Susser has shown a great deal of anticipation for bettering her school records in two events, and possibly qualifying for CIF in the 50 freestyle. Marta Coi, an exchange student from Italy, continued to advance in all of her events, especially breaststroke. Brant Westfall, Zack Winner, Andy McKenzie, Kelly McKenzie, and Lynn DeRoze also contributed to the depth of the team.

Our Junior Varsity teams also did well. Doing an excellent job was Cindy Choi in the backstroke and Kiran Lovejoy and Caryn Hans in the freestyle. Jenny Gruber and Stacey Ball showed their enthusiasm and spirit for WHS.

Overall, team support and unity played a big part in the success of the Woodbridge swim team in their first South Coast League Season.

Warriors Assault So. Coast League

The Warriors opened their season with three straight wins. The first in a scrimmage against Whitney High School, and the two came in a double header against the Capo Valley Christian. Undoubtedly these wins made head coach Dave Cowen very happy. Coach Cowan is in his second season here at Woodbridge, and it appears he and his Warriors are headed on the right track. Many people are pulling for the Warriors in many ways. One way the city helped was to give Woodbridge and the community a new playing field. The Warriors no longer had to travel to Irvines Harvard Park for their home games, as the Warriors new home field is across from the school at Woodbridge Community Park.

Varsity Softball Hitting Hard

The Varsity Softball team, returning from last year's outstanding season of 16-3 and a second round C.I.F. competition, set standards high and shot for the best. With many returning starters such as Arlene Hernandez, Karen Schoonover, Susan Leahy, Lisa Tripi and Jeni Swancoat, the Varsity team was ready for their new league competition.

Over all preparation for next year was the key factor for the squad since the team is so young, success should be easy for the returning players next year.

Varsity: Top Row — Coach Pappas, J. Allard, S. Leahy, L. Tripi, K. Brougher, A. Hernandez, Coach Schoonover. Bottom Row — C. Trousch, J. Swancoat, L. Sloniger, E. Zaverella, K. Schoonover, J. Quartararo, S. Schoonover.

J.V. Softball Gains Experience

Starting 7 freshmen and 2 sophomores, the J.V. softball team, coached by John Halligan, was a truly young team. The only returning, experienced players were sophomores Valerie Rapp, 2nd base. Debbie Reed, starting at shortstop, and Heather Cameron. Star pitcher Patty Russell headed the team while Leslie Payton enhanced the team with her strong-armed performance as catcher. The team is possessed with exceptional speed and pitching. The young squad hit very well with an average of 30 hits in two games.

WHS Track Strives for Championship

Coming back strong after two very successful seasons, is the Woodbridge Track Team. The team has set their goals at taking the South Coast League championship, and they had the individuals to do it. Having a balanced team as well as strong individual performances will contribute to the overall depth of the team, which is traditionally what brings Woodbridge its great success. The teams leading runners not only brought in first place points, but pushed the second and third place runners to do their best, and to improave on an individual level. Overall everyone improved in one area or another, which is Coach Varvas', as well as the rest of the coaching staff's main goal behind their success. Mr. Varvas was very pleased with every runner or jumper on the team. Not only did they produce winning marks overall, but even through injury they held together to form Woodbridge High's best track team ever.

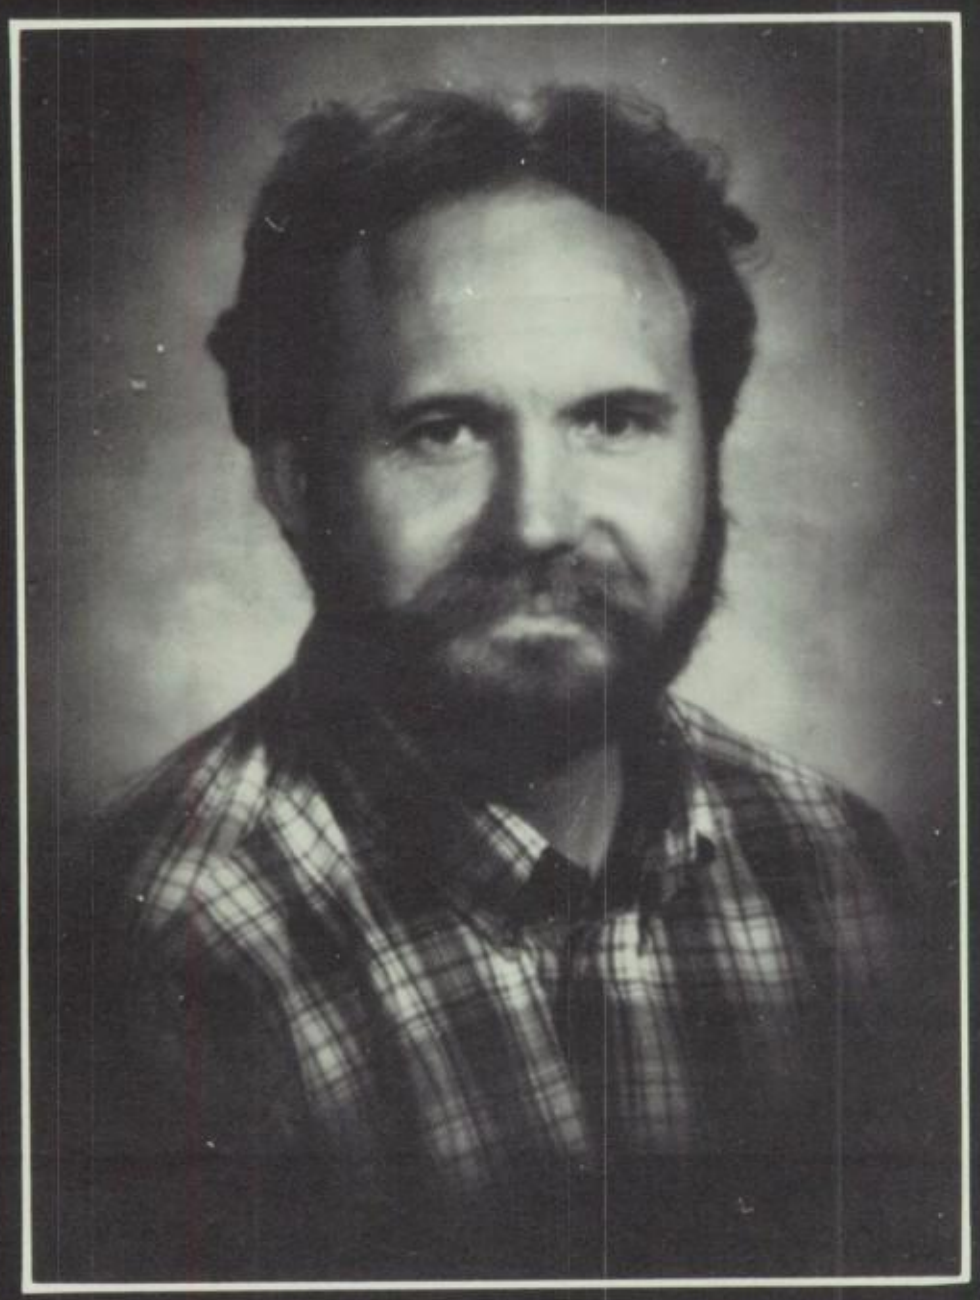
TEACHER OF THE YEAR



Mr Larry Chrystal

Every year in the Irvine Unified School District a teacher is chosen as Teacher of the Year This year it was a teacher from Woodbridge High Mr Larry Chrystal

Mr Chrystal has been teaching for 8 years He started at S E L F and taught there for 5 years After that he taught at University High for 3 years and is presently a member of the Woodbridge High Staff

Larry Chrystal has been an extremely involved educator in many levels of the district He is chief negotiator of the teacher s association a high school representative one of the writers for the Irvine District proficiency exam and he wrote the math section of the academic Decathalon along with another teacher

He was chosen Teacher of the Year primarily because of his outlook on teaching He feels that teaching is a way of taking someone good and making them better Larry said that part of being Teacher of the Year is once in a while waking people up or being able to say things and have students think Hey that s worth listening to!

the AGENTS

The Junior Class Council did a tremendous job this year raising money for future senior events. They've sponsored a car wash, pizza party at Barro's, Turkey Treats for Thanksgiving, and other numerous events with the participation of the entire class of '84. With the third annual auction and raffle that took place in March, hundreds of dollars were earned through the generosity of donating merchants, and people willing to have a good time.

There was spending going on as well. The Junior-Senior Prom was a fabulous night to remember. The senior class helped some too which was much appreciated. The J.C.C. also donated money for the trophy case that will be filled before we know it.

Though the work was endless, all involved had an exciting and fun-filled year.

the AGENTS

We, the sophomore class of 1985, have many goals for our remaining years at Woodbridge High. Being sophomores we have matured from being "lowly" freshmen, yet we are still lowerclassmen. Being a sophomore is difficult because sophomores can't be described as underclassmen but they can't be described as upperclassmen either. We have yet to attain that status but it is within our reach. The literal translation of sophomore is wise-fool. Perhaps that is true because we are wiser than we were as freshmen yet we are truly not as wise as we think we are. Our high-school years are half over and it is hard to believe how quickly it is going by.

Our main goal is to raise enough money for a fun-filled and trouble free senior year. We had many fund raisers this year such as holiday grams, October-fest pretzels and our second annual donkey basketball game. We succeeded in uniting our class to become spirited. Varsity days week was very successful for us. Our sophomores "SPRING into action!" was the winning placard at the varsity days game.

We are looking forward to our last two years at Woodbridge. We would like to thank Mr. Varvas and Mr. Schmenk and all the teachers, administrators, and parents who helped to make our sophomore year successful.

Looking back we see how far we've come. Looking forward we see how far we have to go. Looking at where we are now we realize, how close we've become, the spirited, the united, the class of 85.

Sincerely

the AGENTS

As freshmen or, "Freddies," we are looked upon as the babies of the school. It is not as bad anymore, but that name will stick with us until next Fall.

We basically have a very spirited class, we just have to get more organized. It takes a while to get used to the systems and high school itself — but we are doing a good job.

Our goals are to build up our class of '86 into the big seniors we someday will be. We need to get some good fund raisers going so we can spend tons of money when we are seniors. Four years is a long way off but everything we do as freshmen will stay with us. So this year, since we don't sponsor dances or other activities, we will probably be doing some basic fund-raisers. We do, however, want to come up with some good ideas because some of the "basic fund-raisers" are boring. Plus we have a big class so they will be supportive through the years.

We are just starting out but in the future, we will be just fine!

The Grand Finale

1

2

Closing night; the performances are coming to an end. The grand finale is almost here. This is a time for reflection, a time to look back upon all the planning and hard work that went into the production. This is a time for remembering all the sharing and pulling together to make this moment one that everyone will cherish in future years. It is also a moment to savor, a moment when we appreciate all the friendships we have made, all the happy and sad experiences we have had together. We have been through failures and successes, and we have leaned from both. We have learned that to do something worthwhile, we have to work together. There have been times when we have stood in the spotlight and others when we have waited in the wings. We look forward to the grand finale with mixed emotions. There is joy, bittersweet sadness and perhaps a little fear. This is a time for anticipation. When the applause had ended and the curtain falls for the last time, we ask the question, "What will the future bring?"

Cast Members Moonlight to Make Money

5

4

Moonlighting — the act of holding a second job in addition to a regular one — is very common among students at Woodbridge. Not only are students taking 5 to 6 classes a day, but often times making a Bee-line from school to work, leaving no time in between for themselves. Why do they do this? What motivates these people to take on that "second job" when for some, maintaining good grades is challenge enough?

The first thing that comes into mind is money. In most homes parents support their children throughout high school. Why then, do students take it upon themselves to bring in extra dough? Linda Cole says she likes having a job because, "it brings in money I need for a lot of extra things I want to do. Working at Lampost is more fun than work. I work with a lot of friends, so money isn't really my main concern." John Moreland is currently saving money for a future trip to Hawaii. "Work is easy and the pay is good.", He adds with a laugh.

Whatever the future has in store for them — doctor, lawyer or Del Taco manager, one thing is for certain; these kids are experienced and have a head-start into the working world.

A Rave Review

1

The critics loved it! Woodbridge High, 1982-83, was a success! From the opening of the play (a.k.a. the first day of school), the audience was captivated by the intense aura of the Warriors. The first act began with an extravaganza as the sparkle of football games, the Hawaiian dance, and the Varsity Days coronation dazzled the reviewers. Patrons were astonished by a vast repertoire of basketball games, wrestling matches and holiday fests in the second scene. After an intermission of winter vacation, the curtain rose on Act 2 Scene 1 — Finals. Comic relief was then provided by good times at the Crystal Cotillion and the 60's dance. Getting its act together and taking it on the road, the film club successfully completed and promoted their own movie production. Back stage crews, promoted by faculty directors, staged many variety shows, such as the gym's first birthday party and the highly successful Dating Game. The all-school picnic, track meets and baseball games officiated as the denouement of the 1982-83 production. Before the footlights in the playhouse, Seniors gave closing monologues and granted many curtain calls as the final curtain descended.

2

1. "The Effect of Gamma Rays on Man In the Moon Marigolds" a stunning performance. 2. Nicki Rodely and Stacey Waller get funky at the Hawaiian dance. 3. Jeanie Park and Jay Middleton enjoy the nightlife at the Varsity Days Dance. 4. Terri Rowell, Staci Shaw, and Tiffany King show their excitement at the Gym's Birthday. 5. Nancy Troy and Kevin Armstrong enjoy a special moment together. 6. Varsity cheerleaders receive a "rave review" for their efforts at competition.

The last day of school is over, and graduation has come and gone. The school year 1982-1983 is over! Some of us will return again in the fall, others will move on. We leave behind the good times, the bad times, the fun and the pain. We leave behind the past, but take with us the memories to treasure forever.

Time it was,
And what a time it was
it was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories,
They're all that's left you.

To the staff — some yearbook class memories

"You mean I have to do it all over again! Where's a cropper? I thought it was due tomorrow! I'm waiting for pictures. I like it my way better. Do we have to do it that way? Let's get organized. They said they'd give me a copy but I haven't gotten any yet. Nobody showed for the picture. Re-do the whole student section in one night? We need a theme!"

Todd Michaels — "Is it O.K. to do it this way, don't tell me later you want to change it," Stacey Erickson — "Can you help me fit this copy?". Sport's section — "we have towrite captions?, you can write them." Scott Nolan — "ba ba ba boom ba ba ba boom" and "I'm not bothering you am I?". Freddies — "Questionaires, what questionaires?".

Thanx Laila for the copy! Did you have fun riding the horsie Laurinda? Miss Butterfield — "someones been eating the cropping pencils again" and "just get as much done as you can." Innocent bystander — "All anybody does in Yearbook is sit around." Miss Butterfield — "the problem is nobody ever comes!."

"You didn't show me your rough draft first! The real deadlines not until . . . shhh! Who's gonna sell books at lunch? Sell adds!!! We're so unorganized. Wait till the last minute. I need something typed. Is Mike R. in this class or not? We're out of type sheets. Where is Bob!? Are you doing everyones layouts again Todd? No one will notice just do it that way. Oh no there's no photographer here."

Senior favorites — a pain in the ! Yearbook — an extended lunch. THANX EVERYONE FOR ALL YOUR HARD WORK AND EFFORT! It's all yours Debbie H., Good luck.

Love,
Nancy & Steph
